My learning journey in French

Uned ymholi/Enquiry unit: **Bonjour au monde francophone!**

Gwybodaeth a dysgu blaenorol/Prior knowledge and learning: **Your knowledge of your own languages and of what is spoken in other countries. Possibly knowledge of where other French-speaking countries are.**

Yn ystod eich taith mi fyddwch yn ...

During your journey you will ...

...learn why communication is important

...learn why it is important to learn other languages

...learn how to greet others in French

...learn numbers up to 31

...learn the words for the days and months in French

...learn to say how you are feeling

...learn to tell people when your birthday is and give important dates including festivals in francophone countries

Yr ydym ar y daith hon oherwydd ...

We are on this journey because ...

...working with other people and sharing knowledge allows us to be greater than just an individual

...the more we understand about other places in the world, the richer our lives will be

...it is good to learn to be curious

...we will find things we didn't know about another country and which interest us

Eich tasgau/Your tasks:

Tasg/k 1: discover which countries use French and map where they are

Tasg/k 2: learn greetings and use them in a role-play

Tasg/k 3: create a calendar of important dates

Tasg/k 4: write a short email introducing yourself to a French-speaking friend
