ADREF EIN HYSGOL RHINI DISGYBLION EIN CWRICWLWM I GYMRU CYSYLLTU

YMADAWYR BLWYDDYN 11

YEAR 11 LEAVERS

Ar Dydd Gwener 22 Mai, fe wnaethom ffarwelio â'n disgyblion Blwyddyn 11 wrth iddynt gyrraedd diwedd pennod bwysig yn eu taith ysgol.

Wrth i chi barhau gyda'ch arholiadau sy'n weddill, dymunwn y gorau oll i chi. Credwch ynoch eich hunain, daliwch ati i ganolbwyntio, a chofiwch pa mor bell rydych eisoes wedi dod.

Pa bynnag lwybr a ddewiswch nesaf—boed hynny'n addysg bellach, hyfforddiant, cyflogaeth neu gyfleoedd newydd—dymunwn bob llwyddiant a hapusrwydd i chi yn y dyfodol. Gobeithiwn y byddwch yn gadael gyda chofion melys, cyfeillgarwch parhaol a'r hyder i gyflawni eich nodau.

Pob lwc, Blwyddyn 11. Rydym yn falch iawn ohonoch ac edrychwn ymlaen at glywed am eich llwyddiannau yn y dyfodol.

On Friday 22nd May, we said farewell to our Year 11 pupils as they reached the end of an important chapter in their school journey.

As you continue with your remaining examinations, we wish you the very best of luck.

Believe in yourselves, stay focused and remember how far you have already come. Whatever path you choose next—whether further education, training, employment or new opportunities—we wish you every success and happiness for the future. We hope you leave with fond memories, lasting friendships and the confidence to achieve your goals.

Good luck, Year 11. We are proud of you and look forward to hearing about all your future successes.

Diolch yn fawr i PC Sion am ymweld â'n gwasanaeth Blwyddyn 7, 8 a 9 i siarad â'n disgyblion am fater pwysig troseddau cyllyll.

Roedd y cyflwyniad yn addysgiadol ac yn ysgogol, gan helpu ein disgyblion i ddeall y canlyniadau difrifol sy'n gysylltiedig â chario cyllell a phwysigrwydd gwneud dewisiadau diogel a chadarnhaol. Rydym yn ddiolchgar am y cyngor, yr arweiniad a'r mewnwelediadau gwerthfawr a rannwyd gyda'n myfyrwyr.

Mae gweithio mewn partneriaeth â'n gwasanaeth heddlu lleol yn ein helpu i addysgu a chefnogi ein pobl ifanc, gan eu galluogi i wneud penderfyniadau gwybodus a chyfrannu at gymunedau mwy diogel.

Diolch yn fawr, PC Sion, am eich amser a'ch ymrwymiad i helpu i gadw ein pobl ifanc yn ddiogel.

A huge thank you to PC Sion for visiting our Year 7, 8 and 9 assembly to speak with pupils about the important issue of knife crime.

The presentation was both informative and thought-provoking, helping our pupils to understand the serious consequences of carrying a knife and the importance of making safe, positive choices. We are grateful for the valuable advice, guidance and real-life insights shared with our students.

Working together with our local police service helps us educate and support our young people, empowering them to make informed decisions and contribute to safer communities.

Thank you, PC Sion, for your time and commitment to helping keep our young people safe.

YSTAFELL DDIANC THEMA'R PLA DU – BLWYDDYN 7 HANES

YEAR 7 HISTORY– BLACK DEATH THEMED ESCAPE ROOM

Yr wythnos hon, cymerodd ein haneswyr Blwyddyn 7 ran mewn gwern ystafell ddianc gyffrous ar thema'r Pla Du. Gan weithio mewn timau, bu'r disgyblion yn cystadlu i fod y cyntaf i "ddianc" rhag y pla drwy gwblhau cyfres o heriau.

Yn ystod y gweithgaredd dysgu rhyngweithiol hwn, bu'r disgyblion yn gweithio drwy bum gorsaf wahanol. Roedd yr heriau'n cynnwys trefnu digwyddiadau allweddol mewn trefn gronolegol, datrys codau cyfrinachol, lleoli gwledydd pwysig ar fap, a chwilio am wrthrychau cudd o amgylch yr ystafell. Roedd pob her a gwblhawyd yn ennill llythyren i'r tîm, ac ar ôl casglu'r pum llythyren, roedd yn rhaid i'r disgyblion gydweithio i ddatrys y cyfrinair terfynol a sicrhau eu dihangfa!

Roedd y gweithgaredd yn annog gwaith tîm, cyfathrebu, sgiliau datrys problemau a gwybodaeth hanesyddol, gyda'r disgyblion yn gwbl ymgysylltu drwyddi draw. Roedd yn wych gweld cymaint o frwdfrydedd, penderfyniad a chydweithio wrth iddynt rasio yn erbyn ei gilydd i ddianc rhag y Pla Du.

Da iawn i'r dosbarth am eu hymdrech ragorol, eu gwaith tîm a'u brwdfrydedd!

This week, our Year 7 historians took part in an exciting Black Death-themed escape room lesson. Working in teams, pupils competed to be the first to "escape" the plague by completing a series of challenges.

During this interactive learning activity, pupils tackled five different stations. Challenges included putting key events into chronological order, cracking secret codes, locating important countries on a map, and searching for hidden objects around the room. Each completed challenge earned teams a letter, and once all five letters had been collected, pupils had to work together to solve the final password and secure their escape!

The activity encouraged teamwork, communication, problem-solving skills and historical knowledge, with pupils fully engaged throughout. It was fantastic to see such enthusiasm, determination and collaboration as they raced against one another to escape the plague.

Well done to the class for their excellent effort, teamwork and enthusiasm!

Diwrnod Cefnforoedd y Byd – Daearyddiaeth

World Oceans Day-Geography

8/6/2026

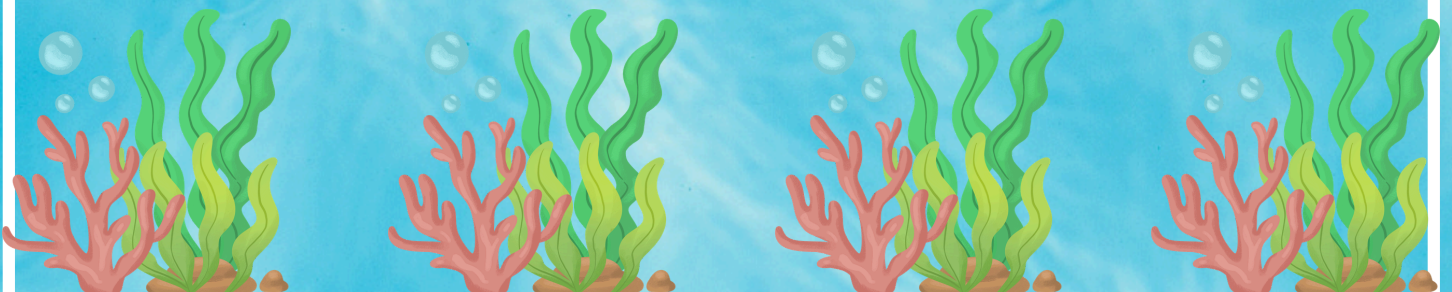

Mae ein disgyblion Blwyddyn 8 wedi bod yn ymchwilio'n fanwl i bwnc cadwraeth y cefnforoedd yn ystod gwersi Daearyddiaeth, cyn Diwrnod Cefnforoedd y Byd ddydd Llun, 8 Mehefin.

Maent wedi astudio effeithiau difrifol llygredd y cefnforoedd ac wedi darganfod sut mae'n effeithio ar bopeth, o fywyd morol bach i'n hamgylchedd byd-eang a'n bywydau ein hunain. Ond nid dysgu'r ffeithiau yn unig a wnaethant – penderfynasant weithredu hefyd.

Mae pob disgybl wedi dewis "Un newid bach" y gall ei wneud yn ei fywyd bob dydd i helpu i ddiogelu ein cefnforoedd. O roi'r gorau i ddefnyddio plastigion untro i godi ymwybyddiaeth ymhlith eraill, mae'r camau bach hyn yn cyfrannu at wneud gwahaniaeth enfawr!

Our Year 8 pupils have been diving deep into the topic of ocean conservation during Geography lessons ahead of World Oceans Day on Monday, 8 June.

They have studied the serious impacts of ocean pollution and discovered how it affects everything from tiny marine organisms to our global environment and our own lives. But they didn't just stop at learning the facts; they decided to take action. Each pupil has chosen "one small change" they can make in their daily life to help protect our oceans. From ditching single-use plastics to spreading the word, these small steps can add up to make a huge difference!

GYRFAU YM MAES Y GYFRAITH YM MHRIFYSGOL BANGOR

CAREERS IN THE FIELD OF LAW DAY AT BANGOR UNIVERSITY

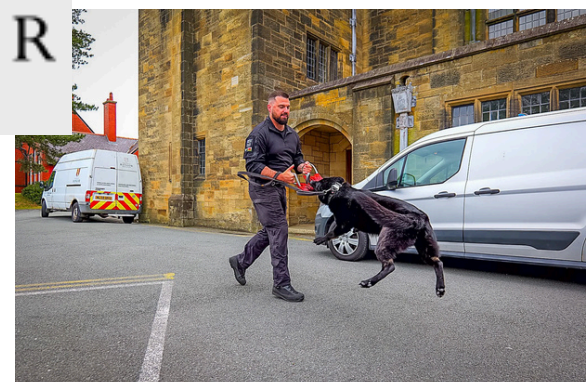

12/6/26

Ar Fehefin 12 fed, aeth 22 o ddisgyblion bl 9 ac 11 ar daith i Brifysgol Bangor ar gyfer diwrnod Gyrfaau yn y Gyfraith. Cafodd y disgyblion brofiadau arbennig yn ystod y diwrnod a chyfle i ofyn cwestiynau i farnwyr, yr heddlu, swyddogion carchar a'r gwasanaeth brawf. Mynychodd y disgyblion bedwar gweithdy gyda'r pobl yma a thrafod achos o lofruddiaeth go iawn. Un o uchafbwyntiau'r diwrnod oedd cyfarfod ci heddlu a oedd wedi ei hyfforddi i ddal troseddwy.

Yn y prynhawn bu cyfle i ymweld y stondinau amrywiol i ofyn cwestiynau am yrfaau yn y gyfraith, trio gwisgoedd y llys ymlaen a cheisio am wobrau ar un standin. Roedd pawb wedi mwynhau y diwrnod ac wedi dysgu llawer am yrfaau yn y gyfraith.

On June 12th, 22 year 9 and 11 students went on a trip to Bangor University for a Careers in Law Day. The students had great experiences throughout the day and had the chance to ask questions to judges, the police, prison officers, and the probation service. The students attended four workshops with these professionals and discussed a real murder case. One of the highlights of the day was meeting a police dog that had been trained to catch criminals. In the afternoon, there was a chance to visit various stalls to ask questions about careers in law, try on courtroom outfits and wigs, and winning prizes at one stall. Everyone enjoyed the day and learned a lot about careers in law.

🎉 DIWRNOD HWYL YSGOL UWCHRADD TYWYN 2026 🎉
 🎉 YSGOL UWCHRADD TYWYN FUN DAY 2026 🎉

Am ddiwrnod gwych a llwyddiannus a gafwyd yn Ysgol Uwchradd Tywyn wrth i ni groesawu disgyblion, teuluoedd ac aelodau o'r gymuned i'n Diwrnod Hwyl AM DDIM!

Roedd y digwyddiad yn llawn gweithgareddau ac adloniant i bawb. Cafwyd perfformiadau arbennig gan ein disgyblion talentog, ynghyd â chantorion gwych o Ysgol Gerdd Totaleigh. Roedd digon o hwyl gyda'r castell neidio, y bwrdd dartiau enfawr, gemau a phaentio wyneb, tra bu arddangosfeydd gan y Gwasanaeth Tân a'r Cadetiaid Tân yn hynod boblogaidd. Roeddem hefyd yn falch iawn o groesawu ein Heddlu Lleol a Lina o Maethu Cymru, a dreuliodd amser yn siarad ag ymwelwyr ac yn hyrwyddo'r gwasanaeth maethu drwy gydol y dydd. Wrth gwrs, ni fyddai diwrnod hwyl yn gyflawn heb luniaeth blasus, a mwynhaodd pawb yr hufen iâ a'r bwyd poeth oedd ar gael.

Roedd y diwrnod yn llwyddiant ysgubol ac yn ddatliad arbennig o'n hysgol a'n cymuned yn dod ynghyd. Hoffem estyn diolch enfawr i Bethan Williams am drefnu digwyddiad mor wych, ac i Liz Wyn Jones (ADYACH) am ei holl gymorth, cefnogaeth a gwaith caled y tu ôl i'r llenni.

Diolch hefyd i'r holl ddisgyblion, staff, perfformwyr, gwirfoddolwyr ac aelodau o'r cyhoedd a ddaeth draw i'n cefnogi ac a helpodd i wneud y diwrnod mor arbennig.

Diolch hefyd i Dysynni Drain Services am garedig ddarparu'r toiledau ar gyfer y digwyddiad. Dyma'r tro cyntaf i ni gynnal digwyddiad o'r fath yn Ysgol Uwchradd Tywyn, ac o ystyried llwyddiant y dydd, rydym yn gobeithio y bydd yn dod yn ddigwyddiad blynyddol am flynyddoedd lawer i ddod.

🙌 Diolch yn fawr i bawb am wneud y diwrnod yn un i'w gofio!

What a fantastic day we had at Ysgol Uwchradd Tywyn as we welcomed pupils, families and members of the local community to our FREE Fun Day!

The event was packed with activities and entertainment for all ages. Visitors enjoyed wonderful performances from our talented pupils, alongside fantastic singers from the Totaleigh School of Music. There was plenty of fun to be had with the bouncy castle, giant dart board, games and face painting, while displays from the Fire Service and Fire Cadets proved hugely popular. We were also delighted to welcome our local Police officers, and Lina from 'Foster Wales', who took the time to engage with visitors throughout the day.

Of course, no fun day would be complete without delicious refreshments, and everyone thoroughly enjoyed the ice cream and hot food on offer.

The day was a tremendous success and a wonderful celebration of our school and community coming together.

A massive thank you must go to Bethan Williams for organising such a fantastic event, and to Liz Wyn Jones (ADYACH) for all of her help, support and hard work behind the scenes.

We would also like to thank all of the pupils, staff, performers, volunteers and members of the public who came along to support us and make the day so special.

Thank you also to Dysynni Drain Services for kindly supplying the toilets for the event.

This was the first event of its kind at Ysgol Uwchradd Tywyn, and judging by today's success, we hope it will become an annual tradition for many years to come!

🙌 Thank you everyone for making it such a memorable day!

ROWND DERFYNOL CENEDLAETHOL 'STEM ON TRACK' - 20 MEHEFIN 2026 STEM ON TRACK NATIONAL FINALS - 20TH JUNE 2026

Mae dau disgybl talentog ym Mlwyddyn 8 Ysgol Uwchradd Tywyn wedi ennill cydnabyddiaeth genedlaethol ar ôl cyrraedd rownd derfynol y gystadleuaeth ddylunio lifrai STEM On Track, a gynhaliwyd yn Daventry ddydd Sadwrn.

Mae'r gystadleuaeth genedlaethol yn herio disgyblion i ddylunio "lifrai" trawiadol a chreadigol — y dyluniadau gweledol nodedig a ddefnyddir ar geir rasio — gan gymhwyso sgiliau STEM allweddol megis dylunio, meddwl peiranyddol, creadigrwydd a brandio. Mae'r gystadleuaeth yn rhan o raglen STEM On Track, sy'n anelu at ysbrydoli pobl ifanc i ddilyn gyrfaedd ym maes gwyddoniaeth, technoleg, peirianeg a mathemateg.

Cafodd y ddau disgybl eu dewis o blith cannoedd o geisiadau, gan ennill lle yn y digwyddiad rownd derfynol cenedlaethol mawreddog. Roedd eu dyluniadau yn dangos dealltwriaeth dechnegol gref yn ogystal â dawn artistig, gan gyfuno syniadau gweledol beiddgar â phenderfyniadau dylunio ystyriol.

Teithiodd y dysgwyr i Daventry ddydd Sadwrn, lle ymunon nhw â disgyblion eraill oedd wedi cyrraedd y rhestr fer o bob rhan o'r DU i gyflwyno eu gwaith a derbyn bagiau anrhegion. Rhoddodd y rownd derfynol gyfle cyffrous iddynt brofi amgylchedd STEM proffesiynol, cwrdd â gweithwyr proffesiynol y diwydiant a chael cipolwg ar yrfaoedd ym maes chwaraeon moduro a dylunio peiranyddol.

Drwy gydol y dydd, cymerodd y disgyblion ran mewn gweithdai, ymgysylltu ag arbenigwyr a chyflwyno eu dyluniadau i banel o feirniaid. Roedd y digwyddiad yn dathlu arloesedd, creadigrwydd a chymhwyso sgiliau STEM mewn cyd-destun ymarferol a byd go iawn.

Roedd Mrs Spencer, ein cydlynnydd STEM, hefyd yn bresennol yn y digwyddiad a dywedodd: "Cynrychiolodd y bechgyn yr ysgol yn eithriadol o dda" ac fe ddangoson nhw hyder, creadigrwydd a brwdfrydedd drwy gydol y profiad. "Mae cael eich rhoi ar restr fer ar lefel genedlaethol yn gyflawniad rhagorol ynddo'i hun, a dylai'r ddau ddisgybl fod yn hynod falch o'r hyn y maent wedi'i gyflawni."

Er bod y gystadleuaeth yn un gystadleuol iawn, rhoddodd y profiad gyfleoedd dysgu amhrisiadwy ac ysbrydoliaeth ar gyfer astudiaethau a gyrfaedd yn y dyfodol ym meysydd STEM. Mae digwyddiadau fel STEM On Track yn parhau i chwarae rhan allweddol wrth annog pobl ifanc i archwilio llwybrau ym maes peirianeg, dylunio a thechnoleg.

Mae'r ysgol yn hynod falch o lwyddiant y disgyblion ac yn edrych ymlaen at adeiladu ar y cyflawniad hwn mewn cystadlaethau yn y dyfodol.

Two talented Year 8 pupils from Ysgol Uwchradd Tywyn have earned national recognition after reaching the finals of the highly regarded STEM On Track livery design competition, held in Daventry on Saturday.

The nationwide competition challenges pupils to design eye-catching and creative “liveries” — the distinctive visual designs used on racing cars — while applying key STEM skills such as design, engineering thinking, creativity and branding. The competition forms part of the STEM On Track programme, which aims to inspire young people to pursue careers in science, technology, engineering and mathematics.

The two pupils were selected from hundreds of entries, earning their place at the prestigious national final. Their designs demonstrated a strong understanding of technical concepts alongside artistic flair, combining bold visual ideas with thoughtful design decisions.

The pupils travelled to Daventry on Saturday, where they joined other shortlisted finalists from across the UK to showcase their work and receive goody bags. The national final provided an exciting opportunity to experience a professional STEM environment, meet industry professionals and gain an insight into careers in motorsport and engineering design.

Throughout the day, the pupils took part in workshops, engaged with industry experts and presented their designs to a panel of judges. The event celebrated innovation, creativity and the practical application of STEM skills in a real-world context.

Mrs Spencer, the school's STEM Coordinator, also attended the event and said:

"The boys represented the school exceptionally well. They showed confidence, creativity and enthusiasm throughout the experience. Being shortlisted at a national level is an outstanding achievement in itself, and both pupils should be extremely proud of what they have accomplished."

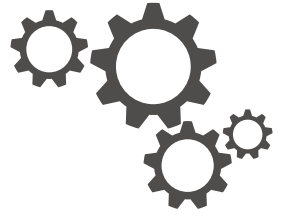

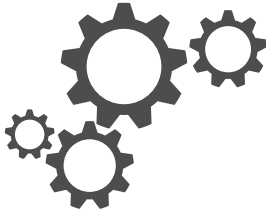

Although the competition was highly competitive, the experience provided invaluable learning opportunities and inspiration for future studies and careers in STEM. Events such as STEM On Track continue to play a vital role in encouraging young people to explore pathways into engineering, design and technology.

The school is incredibly proud of the pupils' achievement and looks forward to building on this success in future competitions.

Cyfweliadau Ffug Peirianeg Blwyddyn 10 – Mehefin 2026

Year 10 Mock Engineering Interviews – June 2026

Yn ddiweddar, cafodd disgyblion gwyddoniaeth Blwyddyn 10 gyfle cyffrous a gwerthfawr i brofi sut beth allai cyfweliad go iawn yn y diwydiant STEM fod, diolch i gefnogaeth Costain.

Rhoddodd y sesiwn gipolwg uniongyrchol i'r disgyblion ar ddisgwyliadau cyflogwyr ym meysydd gwyddoniaeth, technoleg, peirianeg a mathemateg (STEM), gan eu helpu i ddatblygu hyder, sgiliau cyfathrebu a dealltwriaeth o lwybrau gyrfa.

Yn ystod y cyfweliadau ffug, gofynnwyd ystod o gwestiynau wedi'u cynllunio'n ofalus i'r disgyblion, yn debyg i'r rhai a ddefnyddir mewn prosesau recriwtio STEM go iawn. Roedd y rhain yn cynnwys archwilio eu diddordebau a'u cyflawniadau, megis: "Pa bwnc STEM sy'n eich diddori fwyaf a pham?" a "Pa brosiect STEM ydych chi fwyaf balch ohono?". Cafodd y disgyblion hefyd eu hannog i fyfyrio ar heriau, gan gynnwys: "Ydych chi erioed wedi cael arbrawf neu brosiect STEM a fethodd? Beth ddysgoch chi ohono?".

Uchafbwynt arbennig oedd problem yn seiliedig ar senario lle gofynnwyd i'r disgyblion feddwl fel peirianwyr. Buont yn archwilio dyluniad helmedau beicio, gan ystyried pam mae helmedau wedi'u siapiau fel y maent a'r egwyddorion gwyddonol sy'n eu galluogi i amsugno ergydion ac amddiffyn yr ymennydd. Roedd hyn yn gofyn i'r disgyblion gymhwyso eu gwybodaeth wyddonol mewn cyd-destun byd go iawn a dangos sgiliau datrys problemau cryf. Anogodd cwestiynau pellach y disgyblion i feddwl yn ehangach am STEM, gan gynnwys trafod darganfyddiadau gwyddonol dylanwadol, nodi gwyddonwyr neu beirianwyr y byddent yn hoffi eu cyfarfod, ac ystyried pwysigrwydd gwaith tîm. Bu'r disgyblion hefyd yn myfyrio ar eu huchelgeisiau a'u llwybrau yn y dyfodol, gan rannu'r hyn y maent yn gobeithio ei gyflawni dros y pum mlynedd nesaf.

Roeddem yn falch iawn o'r ffordd y gwnaeth y disgyblion ymgymryd â'r profiad. Roedd eu haeddfedrwydd, eu hyder a'u hatebion ystyriol yn amlwg drwy gydol y sesiwn, ac fe wnaethant gynrychioli'r ysgol yn eithriadol o dda. Ar ddiwedd y sesiwn, cafodd nifer o ddisgyblion eu cydnabod am gryfder eu perfformiad yn y cyfweliadau a "cynigiwyd swyddi" iddynt yn llwyddiannus ar sail eu hatebion. Llongyfarchiadau i:

Roedd hyn yn gyflawniad gwych ac yn dyst i'w gwaith caled a'u hymgyssylltiad â dysgu STEM.

Mae cyfleoedd fel hyn yn chwarae rhan hanfodol wrth baratoi disgyblion ar gyfer bywyd y tu hwnt i'r ystafell ddosbarth, gan roi'r sgiliau a'r hyder sydd eu hangen arnynt i lwyddo mewn addysg a chyflogaeth yn y dyfodol.

Hoffai'r ysgol ddiolch i Costain am ddarparu profiad mor werthfawr ac ysbrydoledig i'n disgyblion.

Year 10 science pupils recently took part in an exciting and valuable opportunity to experience what a real interview in the STEM industry might be like, thanks to support from Costain.

The session gave pupils first-hand insight into the expectations of employers within science, technology, engineering and mathematics (STEM), helping them to develop confidence, communication skills and an understanding of career pathways.

During the mock interviews, pupils were asked a range of carefully designed questions similar to those used in real STEM recruitment processes. These included exploring their interests and achievements, such as "Which STEM subject fascinates you the most and why?" and "What STEM project are you most proud of?". Pupils were also encouraged to reflect on challenges, including "Have you ever had an experiment or STEM project fail? What did you learn?".

A particular highlight was a scenario-based problem where pupils were asked to think like engineers. They explored the design of bicycle helmets, considering why helmets are shaped the way they are and the scientific principles that allow them to absorb impact and protect the brain. This required pupils to apply their scientific knowledge to a real-world context and demonstrate strong problem-solving skills.

Further questions encouraged pupils to think more broadly about STEM, including discussing influential scientific discoveries, identifying scientists or engineers they would like to meet, and considering the importance of

of teamwork. Pupils also reflected on their ambitions and future pathways, sharing what they hope to achieve in the next five years.

We were so pleased with how pupils approached the experience. Their maturity, confidence and thoughtful responses were clear throughout, and they represented the school exceptionally well. At the end of the session, several pupils were recognised for the strength of their interview performance and were successfully “offered jobs” based on their responses. Congratulations to:

This was a fantastic achievement and a testament to their hard work and engagement with STEM learning. Opportunities like this play a vital role in preparing pupils for life beyond the classroom, giving them the skills and confidence needed to succeed in future education and employment. The school would like to thank Costain for providing such a valuable and inspiring experience for our pupils.

Cynllun ‘Start Up Sherpas’ : Gwaith STEM Cyflogedig dros yr Haf

Rydym yn falch iawn o ddathlu llwyddiant pedwar o'n disgyblion sydd wedi'u dewis i gymryd rhan yn rhaglen brofiad gwaith STEM cyflogedig Start Up Sherpas yr haf hwn, mewn partneriaeth â Costain. Llongyfarchiadau mawr i: Holly Davies, Flynn Nicholls, Ellie Hall a Macie-Sabiha Stringer.

Yn wreiddiol, dim ond dau le a ariannwyd gan fwrsariaeth oedd ar gael. Fodd bynnag, oherwydd safon eithriadol o uchel y ceisiadau, cynyddwyd nifer y lleoedd. Rydym felly'n arbennig o falch bod pedwar o'n disgyblion wedi'u dewis i gymryd rhan.

Bydd y disgyblion yn ymgymryd â chwe wythnos o brofiad gwaith cyflogedig, gan ddechrau ar 27 Gorffennaf, lle byddant yn gweithio ochr yn ochr â gweithwyr proffesiynol yn y diwydiant i fynd i'r afael â her go iawn:

"Sut gallwn gysylltu natur a phobl er mwyn cefnogi bioamrywiaeth yng Ngogledd Cymru?"

Drwy gydol y rhaglen, bydd y disgyblion yn datblygu sgiliau gwerthfawr ym maes STEM, ymchwil, datrys problemau a gwaith tîm, tra'n ennill dealltwriaeth o yrfaeodd ym meysydd peirianeg, cynaliadwyedd a rheolaeth amgylcheddol.

Rydym yn hynod falch o'n disgyblion am y cyflawniad arbennig hwn ac yn dymuno pob llwyddiant iddynt wrth iddynt gychwyn ar y cyfle cyffrous hwn. Edrychwn ymlaen at glywed am eu profiadau a'r syniadau arloesol y byddant yn eu datblygu dros gyfnod yr haf.

Costain Start Up Sherpas Scheme: Paid Summer Work in STEM

We are delighted to celebrate the success of four of our students who have been selected to take part in the highly competitive Start Up Sherpas paid STEM work experience programme this summer in partnership with Costain. Congratulations to: Holly Davies, Flynn Nicholls, Ellie Hall and Macie-Sabiha Stringer.

Originally, only two bursary-funded places were available, but due to the high quality of applications, the number of places was increased. We are therefore especially pleased that four of our students were chosen to participate.

The students will undertake six weeks of paid work experience, beginning on 27 July, working alongside industry professionals to tackle a real-world challenge:

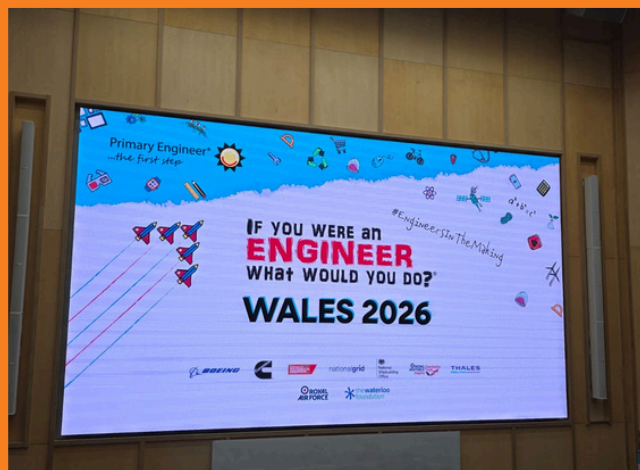

"How might we connect nature and people to support biodiversity in North Wales?"

Throughout the programme, students will develop valuable STEM, research, problem-solving and teamwork skills while gaining insight into careers in engineering, sustainability and environmental management.

We are incredibly proud of our students for this achievement and wish them every success as they embark on this exciting opportunity. We look forward to hearing about their experiences and the innovative ideas they develop over the summer.

CYSTADLEUAETH "PE BAECH YN BEIRIANNYDD, BETH FYDDECH CHI'N EI WNEUD?"
'IF YOU WERE AN ENGINEER, WHAT WOULD YOU DO?' COMPETITION-
2/7/26

Rydym yn hynod falch o ddathlu llwyddiant ein disgyblion yng nghystadleuaeth Primary Engineer eleni, "If You Were an Engineer, What Would You Do?". Dyma'r drydedd flwyddyn i ni gymryd rhan yn y gystadleuaeth, sy'n annog pobl ifanc i adnabod problemau'r byd go iawn a chreu atebion peirianyddol arloesol. Mae'n denu degau o filoedd o geisiadau gan ddisgyblion ledled y DU bob blwyddyn, sy'n golygu bod cael cydnabyddiaeth yn y gwobrau yn gyflawniad arbennig iawn.

Ar 2 Gorffennaf, bu'r disgyblion a'u teuluoedd yn bresennol mewn seremoni wobrwyo ac arddangosfa arbennig yng Nghaerdydd, lle cafodd eu syniadau eu harddangos ochr yn ochr â rhai o'r ceisiadau gorau o bob cwr o Gymru. Roedd y digwyddiad yn dathlu creadigrwydd, dychymyg a sgiliau datrys problemau peirianwyr ac arloeswyr ifanc.

Rydym yn falch iawn o longyfarch y disgyblion canlynol:

Enillydd Blwyddyn 8: Euan ac Olly
Canmolïaeth Uchel Blwyddyn 8: Megan

Enillydd Blwyddyn 9: Nel
Canmolïaeth Uchel Blwyddyn 9: Laurie ac India

Enillydd Blwyddyn 10: Aneira, Melody a Steffan
Canmolïaeth Uchel Blwyddyn 10: Mhorven

Mae eu llwyddiant yn adlewyrchu'r meddwl arloesol, y penderfyniad a'r brwdfrydedd dros STEM yr ydym yn falch o'u meithrin yn ein hysgol. Mae cael cymaint o'n disgyblion yn cael eu cydnabod mewn cystadleuaeth genedlaethol mor fawreddog yn gyflawniad gwych. Llongyfarchiadau hefyd i fab Mrs Spencer, a enillodd wobwr Blwyddyn 1 Cymru.

Llongyfarchiadau i'n holl enillwyr gwobrau a'r disgyblion a gafodd Ganmolïaeth Uchel – rydym yn hynod falch ohonoch chi i gyd!

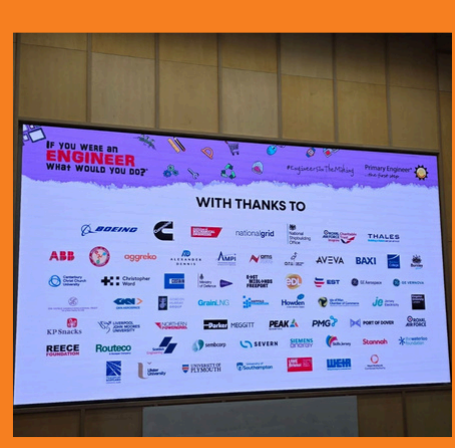

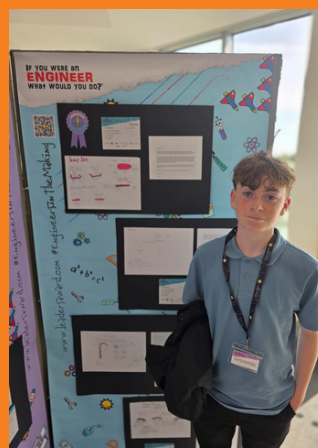

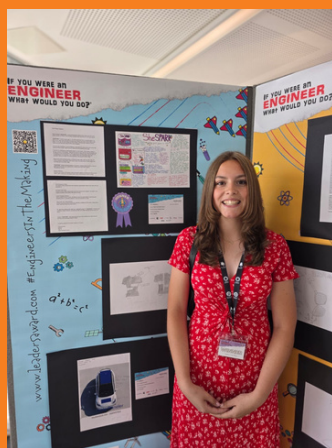

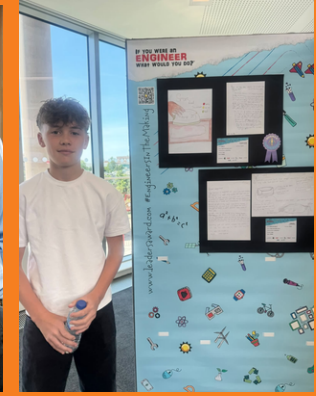

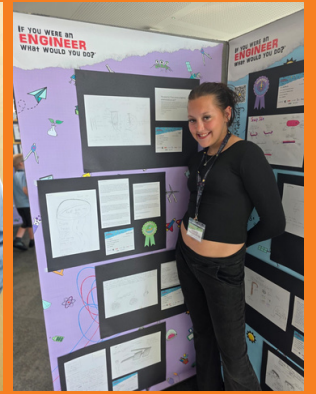

We are incredibly proud to celebrate the success of our pupils in this year's Primary Engineer "If You Were an Engineer, What Would You Do?" competition. This is our third year entering the competition and it encourages young people to identify real-world problems and create innovative engineering solutions, attracting tens of thousands of entries from pupils across the UK each year, making recognition in the awards a remarkable achievement.

On 2nd July, pupils and their families attended a special awards ceremony and exhibition in Cardiff, where their ideas were showcased alongside some of the best entries from across Wales. The event celebrated the creativity, imagination and problem-solving skills of young engineers and inventors.

We are delighted to congratulate the following pupils:

Year 8 Winner: Euan and Olly
Year 8 Highly Commended: Megan
Year 9 Winner: Nel
Year 9 Highly Commended: Laurie and India
Year 10 Winner: Aneira, Melody and Steffan
Year 10 Highly Commended: Mhorven

Their success reflects the innovative thinking, determination and enthusiasm for STEM that we are proud to foster at our school. To have so many pupils recognised in such a prestigious national competition is a fantastic achievement. Well done to Mrs Spencer's son who also won for Year 1 for Wales. Congratulations to all of our award winners and highly commended pupils – we are extremely proud of you all!

Cystadleuaeth Eureka Competition 2026

Cymerodd tua 30 o ddisgyblion o Flwyddyn 7 i Flwyddyn 10 ran yn ddiweddar yng nghystadleuaeth Eureka 2026 Sefydliad Ffiseg (IOP), a heriodd bobl ifanc i ateb y cwestiwn: "Sut gall ffiseg helpu i wneud eich cartref yn barod ar gyfer y dyfodol?"

Gan weithio mewn timau, bu'r disgyblion yn archwilio ystod o syniadau yn ymwneud â byw'n gynaliadwy, effeithlonrwydd ynni a thechnolegau clyfar. Buont yn ystyried sut y gall ffiseg lunio cartrefi'r dyfodol drwy arloesiadau megis systemau ynni adnewyddadwy, gwell inswleiddio, dyfeisiau arbed ynni a dyluniadau adeiladu sy'n gyfeillgar i'r amgylchedd.

Darparodd y gystadleuaeth gyfle rhagorol i'r disgyblion gymhwyso eu gwybodaeth wyddonol i her byd go iawn, gan ddatblygu eu creadigrwydd, eu gwaith tîm a'u sgiliau datrys problemau ar yr un pryd. Roedd yn wych gweld disgyblion o wahanol flynyddoedd yn cydweithio, yn rhannu syniadau ac yn meddwl yn feirniadol am sut y gall gwyddoniaeth helpu i fynd i'r afael â heriau'r dyfodol.

Er na lwyddwyd i ennill gwobr eleni, dylai pob un o'n disgyblion fod yn hynod falch o'r ymdrech, y dychymyg a'r ymrwymiad a ddangoswyd ganddynt drwy gydol y gystadleuaeth. Roedd safon y ceisiadau yn uchel iawn, ac mae cymryd rhan mewn cystadleuaeth genedlaethol o'r fath yn gyflawniad sylweddol ynddo'i hun.

Llongyfarchiadau i bawb a gymerodd ran am gynrychioli'r ysgol mor gadarnhaol ac am groesawu'r her gyda brwdfrydedd a phenderfyniad. Edrychwn ymlaen at gymryd rhan eto'r flwyddyn nesaf!

Around 30 students from Years 7–10 recently took part in the Institute of Physics (IOP) Eureka 2026 competition, which challenged young people to answer the question: "How can physics help make your home ready for the future?"

Working in teams, students explored a range of ideas linked to sustainable living, energy efficiency and smart technologies. They considered how physics could help shape future homes through innovations such as renewable energy systems, improved insulation, energy-saving devices and environmentally friendly building designs.

The competition provided an excellent opportunity for students to apply their scientific knowledge to a real-world challenge while developing their creativity, teamwork and problem-solving skills. It was fantastic to see students from different year groups collaborating, sharing ideas and thinking critically about how science can help address the challenges of the future.

Although we were not successful in securing a prize this year, all of our students should be extremely proud of the effort, imagination and commitment they demonstrated throughout the competition. The standard of entries was very high, and simply taking part in a national competition of this kind is a significant achievement.

Congratulations to all those involved for representing the school so positively and for embracing the challenge with enthusiasm and determination. We look forward to taking part again next year!

GWEITHGAREDDAU CYSTADLEUAETH COPA2

COPA2 COMPETITION ACTIVITIES

2/7/26

Diwrnod Darganfod y Coetir i Flwyddyn 7 yng Nghrhaedrau Dolgoch

Ddydd Iau 2 Gorffennaf, cymerodd holl ddisgyblion Blwyddyn 7 ran mewn Diwrnod Darganfod y Coetir yn rhaedrau Dolgoch. Cynhaliwyd y diwrnod hyfforddi gan Tara Hall o Barc Cenedlaethol Eryri (Snowdonia) i baratoi ar gyfer COPA2 (a elwir hefyd yn Copa'r Wyddfa), sef cystadleuaeth a chynhadledd amgylcheddol i bobl ifanc.

Mae COPA2 yn dilyn llwyddiant COPA1, y gynhadledd gyntaf o'i bath ar gyfer pobl ifanc yn Eryri, a enillwyd gan grŵp o ddisgyblion Ysgol Uwchradd Tywyn. Mae cystadleuaeth eleni yn annog pobl ifanc i archwilio beth sydd i'w gael mewn coetir Celtaidd a'u hamgylchedd lleol, asesu ei gyflwr, ac ymchwilio i'r ffordd y mae'n cynnal bywyd gwyllt. Roedd y diwrnod hyfforddi yn gam pwysig cyntaf wrth gasglu gwybodaeth.

Arweiniwyd yr hyfforddiant gan Anita Diamond o Antur Natur, archaeolegydd adnabyddus a swyddog allgymorth yng Ngogledd Cymru. Cymerodd y disgyblion ran mewn amrywiaeth o weithgareddau hwyliog ac ymarferol, gan gynnwys mesur coed i amcangyfrif eu hoedran a defnyddio chwyddwydrau i archwilio'r creaduriaid bach oedd yn byw yn y coetir, yn ogystal ag adnabod gwahanol rywogaethau o fwsoglau a chen.

Uchafbwynt y dydd oedd gweithgaredd lle'r oedd y disgyblion yn gweithio mewn grwpiau. Cymerodd pob aelod o'r grŵp ei dro i wisgo mwgwd dros y llygaid a chael ei arwain at ddwy goeden wahanol. Gan ddefnyddio eu synnwyr o gyffwrdd yn unig, archwiliodd y disgyblion bob coeden cyn tynnu'r mwgwd ac yna ceisio adnabod yr un coed yn seiliedig ar yr hyn yr oeddent wedi'i deimlo.

Mae'r gystadleuaeth a'r gynhadledd yn agored i holl ddisgyblion Blynnyddoedd 7 ac 8. Gofynnir i'r cyfranogwyr archwilio man gwyrdd lleol, megis coetir neu berth, a chwblhau arolwg syml drwy gofnodi eu harsylwadau o'r planhigion, y coed a'r anifeiliaid y maent yn eu gweld. Yna, gofynnir i'r disgyblion gyflwyno eu canfyddiadau mewn ffordd greadigol a diddorol. Gall hyn fod ar ffurf poster neu ffeithlun darluniadol, fideo byr neu sioe sleidiau, model 3D neu arddangosfa ryngweithiol, neu fap digidol sy'n cynnwys eu harsylwadau.

Y dyddiad cau ar gyfer cyflwyno ceisiadau i'r gystadleuaeth yw dydd Gwener 18 Medi.

Year 7 Woodland Discovery Day at Dolgoch Falls

On Thursday 2 July, all Year 7 pupils took part in a Woodland Discovery Day at Dolgoch Falls. The training day was hosted by Tara Hall from Eryri (Snowdonia) National Park in preparation for COPA2 (often referred to as Copa'r Wyddfa), a youth environmental competition and conference.

The COPA2 competition follows the success of COPA1, the first conference of its kind for young people in Eryri, which was won by a group of pupils from Ysgol Uwchradd Tywyn. This year's competition encourages young people to explore what can be found in a Celtic woodland and their local environment, assess its condition, and investigate how it supports wildlife. The training day was an important first step in gathering information.

Leading the training was Anita Diamond from Antur Natur, a well-known archaeologist and outreach officer in North Wales. Pupils took part in a range of fun, hands-on activities, including measuring trees to estimate their age and using magnifying glasses to explore the minibeasts living in the woodland, as well as identifying different species of mosses and lichens.

The highlight of the day was an activity in which pupils worked in groups. Each group member took turns to be blindfolded and guided to two different trees. Using only their sense of touch, they explored each tree before removing their blindfold and attempting to identify the same trees based on what they had felt. The competition and conference are open to all pupils in Years 7 and 8. Participants are asked to explore a local green space, such as a woodland or hedgerow, and complete a simple survey by recording observations of the plants, trees, and animals they find. Pupils are then invited to present their findings in a creative and engaging way. This could take the form of an illustrated poster or infographic, a short video or slideshow, a 3D model or interactive display, or a digital map with observations.

The deadline for competition entries is Friday 18 September.

Digwyddiad STEM 'CyberFirst Empower' i Ferched Blwyddyn 9 a 10 – 24.06.26

Yn ddiweddar, mynychodd grŵp o'n merched Blwyddyn 9 a 10 ddigwyddiad CyberFirst Empower: Girls into Tech ym Mhrifysgol Bangor, lle buont yn cymryd rhan mewn diwrnod ysbrydoledig a diddorol yn archwilio byd seiberddiogelwch a thechnolegau sy'n dod i'r amlwg.

Mae CyberFirst yn rhaglen genedlaethol, a arweinir gan y Ganolfan Seiberddiogelwch Genedlaethol (NCSC), sy'n anelu at ysbrydoli pobl ifanc i ystyried gyrfaeod ym maes seiberddiogelwch a'r sector technoleg ehangach. Mae'r rhaglen yn chwarae rhan allweddol wrth fynd i'r afael â'r bwlch sgiliau digidol yn y DU ac annog mwy o gyfranogiad amrywiol yn y diwydiant.

Mae digwyddiadau Empower wedi'u cynllunio'n benodol i annog mwy o ferched i weld eu hunain mewn gyrfaeod technoleg, gan helpu i fynd i'r afael â'r diffyg cynrychiolaeth o fenywod yn y sector. Trwy brofiadau ymarferol a rhyngweithio â gweithwyr proffesiynol y diwydiant, nod y fenter yw meithrin hyder, chwilfrydedd ac ymwybyddiaeth o gyfleoedd yn y dyfodol.

Yn ystod y dydd, cymerodd y disgyblion ran mewn amrywiaeth o weithdai rhyngweithiol a heriau ymarferol, gan roi cyfle iddynt brofi cymwysiadau technoleg mewn sefyllfaoedd byd go iawn. Roedd y gweithgareddau'n archwilio meysydd megis seiberddiogelwch, seiberymosodiadau, entrepreneuraeth a deallusrwydd artiffisial, dan arweiniad cynrychiolwyr o gwmnïau Deloitte, Animated Technologies a chwmni newydd o'r enw So-Me.

Un o uchafbwyntiau'r diwrnod oedd y cyfle i gwrdd â modelau rôl benywaidd sy'n gweithio yn y diwydiant technoleg a dysgu ganddynt, wrth iddynt rannu eu profiadau a'u llwybrau gyrfa. Cynrychiolodd ein disgyblion yr ysgol yn eithriadol o dda, gan ddangos brwdfrydedd, gwydnwch a gwaith tîm rhagorol drwy gydol y dydd.

Amlygodd yr adborth o'r digwyddiad pa mor werthfawr yw profiadau o'r fath wrth helpu pobl ifanc i ddatblygu hyder ac ehangu eu dyheadau ar gyfer y dyfodol.

Year 9/10 'Cyberfirst Empower' STEM Event 24.06.26

A group of our Year 9 and 10 girls recently attended the Cyberfirst Empower: Girls into Tech event at Bangor University, where they took part in an inspiring and engaging day exploring the world of cyber security and emerging technologies.

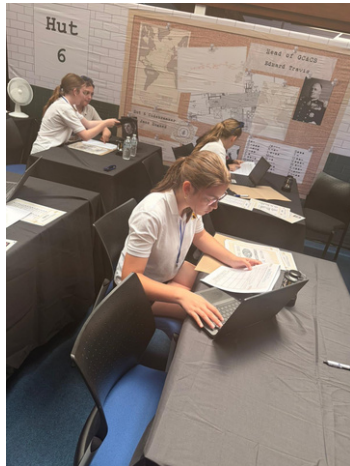

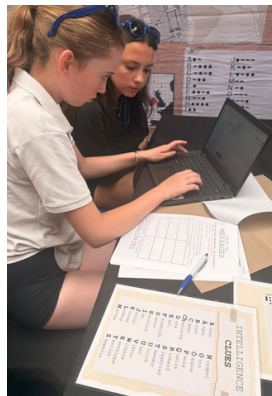

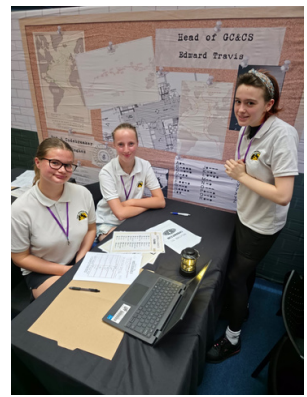

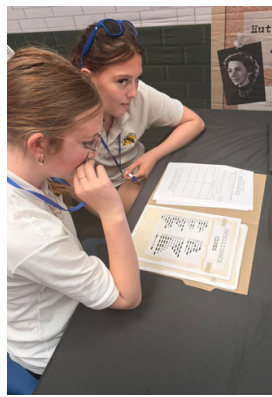

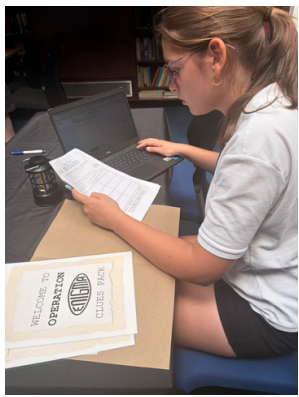

Cyberfirst is a national programme, led by the National Cyber Security Centre (NCSC), which aims to inspire young people to consider careers in cyber security and the wider technology sector. The programme plays a key role in addressing the UK's digital skills gap and encouraging more diverse participation in the industry.

The Empower events are specifically designed to encourage more girls to see themselves in technology careers, helping to tackle the underrepresentation of women in the sector. Through hands-on experiences and interaction with industry professionals, the initiative aims to build confidence, curiosity and awareness of future opportunities.

During the day, pupils participated in a range of interactive workshops and practical challenges, giving them the opportunity to experience real-world applications of technology. Activities explored areas such as cyber security, cyber-attacks, entrepreneurship, and artificial intelligence led by company representatives from Deloitte, Animated Technologies and a start up company called So-Me.

A key highlight of the day was the chance to meet and learn from female role models working in the tech industry, who shared their experiences and career pathways. Our pupils represented the school exceptionally well, demonstrating enthusiasm, resilience and excellent teamwork throughout the day. Feedback from the event highlighted how valuable these experiences are in helping young people develop confidence and broaden their aspirations for the future.

Taith Gwyddoniaeth Driphlyg Blwyddyn 9 – Prifysgol Abertawe 'Cemeg ar Waith'

Year 9 Triple Science – Swansea uni trip 'Chemistry at work'

29/6/26

Dydd Llun 29 Mehefin, ymwelodd grŵp o 21 o ddisgyblion Blwyddyn 9 â Phrifysgol Abertawe i dreulio'r diwrnod yn y labordai cemeg, gan gymryd rhan mewn amrywiaeth o arbrofion ymarferol cyffrous.

Roedd y rhain yn cynnwys syntheseiddio aspirin ac adnabod cydrannau gwahanol sylweddau. Drwy gydol y dydd, cafodd ein disgyblion eu cefnogi gan fyfyrwyr israddedig o Brifysgol Abertawe, a rannodd eu gwybodaeth, eu harwain drwy'r gweithgareddau ymarferol ac ateb eu cwestiynau. Rhoddodd yr ymweliad gyfle i'n disgyblion Blwyddyn 9 ddefnyddio offer labordy arbenigol a chynnal arbrofion na fyddent fel arfer yn cael y cyfle i'w gwneud yn yr ysgol.

Yn ogystal â datblygu eu gwybodaeth wyddonol a'u sgiliau ymarferol, cafodd y disgyblion gipolwg gwerthfawr ar fywyd prifysgol a'r cyfleoedd a allai fod ar gael iddynt yn y dyfodol.

Roedd yr ymweliad yn llwyddiant ysgubol, a bu ein disgyblion yn llysgenhadon gwych i'r ysgol drwy gydol y dydd.

On Monday 29th June, a group of 21 Year 9 pupils visited Swansea University to spend the day in its chemistry laboratories, taking part in a range of exciting practical experiments. These included synthesising aspirin and identifying the components of different substances.

Throughout the day, our pupils were supported by Swansea University undergraduate students, who shared their knowledge, guided them through the practical activities and answered their questions. The visit gave our Year 9 pupils the opportunity to use specialist laboratory equipment and carry out experiments that they would not normally experience in school.

As well as developing their scientific knowledge and practical skills, the pupils gained a valuable insight into university life and the opportunities available to them in the future.

The visit was a fantastic success, and our pupils represented the school brilliantly throughout the day.

Diwrnod Mabolgampau/Sports Day

26/6/26

-  **3ydd Safle – Cadfan**
-  **2il Safle – Maethlon**
-  **1af Safle – Dysynni**

**Llongyfarchiadau mawr i
Dysynni am gipio'r
fuddugoliaeth!**

Ar ddydd Gwener, 26 Mehefin 2026, dan haul braf a thywydd poeth, cynhaliodd Ysgol Uwchradd Tywyn ei Diwrnod Mabolgampau blynyddol. Rhannwyd y disgyblion yn dri thîm tŷ—Dysynni, Maethlon a Chadfan—i gystadlu mewn amrywiaeth o ddigwyddiadau, gan gynnwys naid uchel, naid hir, taflu'r pwysau, disgen, gwaywffon ac ystod o rasys rhedeg.

Dechreuodd y diwrnod am 9.00 y bore, gyda'r disgyblion yn gwisgo lliwiau eu tai yn falch ac yn barod i roi o'u gorau er mwyn ennill cymaint o bwyntiau â phosibl i'w tîm. Roedd yr awyrgylch yn wych drwy gydol y dydd, gyda digon o frwdfrydedd, penderfyniad ac ysbryd tîm i'w gweld, wrth i bob disgybl wneud ei orau glas.

Gan fod y tymheredd yn uchel drwy gydol y dydd, roedd lles y disgyblion a'r staff yn flaenoriaeth. Roedd gorsafoedd dŵr wedi'u lleoli o amgylch y cae i sicrhau bod pawb yn cadw'n hydradol, ac roedd gazebos ychwanegol wedi'u codi i ddarparu cysgod ychwanegol i ddisgyblion, staff a gwylwyr. Yn ystod yr egwyliau arferol, roedd ffreutur yr ysgol wedi'i leoli yng Nghae Rhianfa, gan ddarparu amrywiaeth o fwyd a lluniaeth, a oedd yn cael eu gwerthfawrogi'n fawr yn y tywydd poeth.

Parhaodd y digwyddiadau tan amser cinio, cyn i bawb ddychwelyd i'r ysgol am seibiant haeddiannol. Yn y prynhawn, aeth y cystadlaethau yn eu blaenau yn ôl ar y cae, gyda'r digwyddiadau oedd yn weddill yn cael eu cynnal a'r gystadleuaeth gyfeillgar rhwng y tri thîm yn parhau hyd ddiwedd y dydd.

Ar ôl i'r holl ddigwyddiadau ddod i ben, cyfrifodd Miss Tronet a Mr Dunne y pwyntiau'n ofalus ar gyfer pob tîm, gan wneud gwaith arbennig. Wrth i'r diwrnod ddod i ben, roedd y cyffro'n cynyddu wrth i'r disgyblion aros yn eiddgar am y canlyniadau terfynol.

Fel ysgol, hoffem estyn diolch o galon i'n disgyblion arbennig am eu hymdrech, eu brwdfrydedd a'u hymddygiad chwaraeon rhagorol drwy gydol y dydd. Hoffem hefyd ddiolch i'r staff Addysg Gorfforol am drefnu digwyddiad mor lwyddiannus, i staff y ffreutur am sicrhau bod pawb yn cael bwyd a lluniaeth, ac i holl staff gwyh YUT a fu'n goruchwyllo'r digwyddiadau ac yn rheoli'r system sgorio.

Diolch arbennig hefyd i A.F. Blakemore (SPAR Tywyn) am eu rhodd hael o boteli dŵr, a fu'n help mawr i gadw ein disgyblion, ein staff a'n gwylwyr yn hydradol drwy gydol y tywydd poeth.

Roedd yn ddiwrnod arbennig, llwyddiannus ac wedi'i drefnu'n wych – dathliad gwirioneddol o waith tîm, ymdrech ac ysbryd cymunedol yr ysgol. Llongyfarchiadau i bawb a fu'n rhan ohono!

- 🥉 **3rd Place – Cadfan**
- 🥈 **2nd Place – Maethlon**
- 🥇 **1st Place – Dysynni**

**Big Congratulations to
Dysynni for taking the win!**

On a very warm and sunny Friday, 26th June 2026, Ysgol Uwchradd Tywyn held its annual School Sports Day. Pupils were split into three house teams—Dysynni, Maethlon, and Cadfan—which competed in a variety of events, including high jump, long jump, shot put, discus, javelin, and a range of running races.

The day began at 9.00am, with pupils proudly wearing their team colours and ready to give their best in the hope of earning valuable points for their house. The atmosphere throughout the day was fantastic, with plenty of encouragement, determination, and team spirit on display as every pupil gave their all.

With temperatures remaining high throughout the day, the wellbeing of pupils and staff was a priority. Water stations were available around the field to ensure everyone stayed well hydrated, and additional gazebos were set up to provide extra shade for pupils, staff, and spectators. During the regular break times, the school canteen set up at Cae Rhianfa, providing a selection of food and refreshments, which were greatly appreciated in the warm weather.

The morning's events continued until lunchtime before everyone returned to school for a well-earned break. The afternoon session then resumed back on the field, where the remaining events took place, with the friendly rivalry between the three houses continuing until the very end. Once all events had concluded, Miss Tronet and Mr Dunne carefully tallied the points for each team, doing a fantastic job in the process. As the day drew to a close, excitement built as pupils eagerly awaited the final results.

As a school, we'd like to extend a huge thank you to our incredible pupils for their determination, enthusiasm, and excellent sportsmanship throughout the day. We'd also like to thank the PE staff for organising such a successful event, the canteen staff for keeping everyone well fed and refreshed, and the amazing YUT staff who marshalled each event and managed the scoring system.

A special thank you goes to A.F. Blakemore (SPAR Tywyn) for their generous donation of bottled water, which helped keep our pupils, staff, and spectators hydrated throughout the warm weather.

It was truly a fantastic, well-organised day, and a wonderful celebration of teamwork, effort, and school spirit. Well done to everyone involved!

Profiad Gwaith/Work Experience

29/6-3/7/26

Yn ddiweddar, mae disgyblion Blwyddyn 10 wedi bod ar brofiad gwaith, gan ennill cipolwg gwerthfawr ar fydd gwaith ac archwilio ystod eang o gyfleoedd gyrfa.

Hoffem ddiolch yn fawr iawn i'r holl fusnesau a sefydliadau a groesawodd ein disgyblion mor gynnes, gan roi o'u hamser i'w mentora, eu cefnogi a'u hysbrydoli. Rydym yn gwerthfawrogi'n fawr eich parodrwydd i fuddsoddi yn y genhedlaeth nesaf, a bydd y profiadau a ddarparwyd gennych yn cael effaith barhaol ar ein pobl ifanc.

Rydym hefyd yn hynod falch o'n disgyblion am fanteisio ar y cyfle hwn gyda brwdfrydedd, aeddfedrwydd a phroffesiynoldeb. Maent wedi bod yn llysgenhadon gwych i'r ysgol, wedi mentro y tu allan i'w parth cysur ac wedi datblygu sgiliau gwerthfawr a fydd o fudd iddynt yn y dyfodol.

Diolch unwaith eto i bawb a gyfrannodd at lwyddiant ein rhaglen profiad gwaith. Edrychwn ymlaen at barhau â'r partneriaethau gwerthfawr hyn yn y blynyddoedd i ddod.

Recently, our Year 10 pupils have been out on work experience, gaining invaluable insight into the world of work and exploring a wide range of career opportunities.

We would like to say a huge thank you to all of the businesses and organisations that generously welcomed our pupils, giving up their time to mentor, support and inspire them. Your willingness to invest in the next generation is greatly appreciated, and the experiences you have provided will have a lasting impact on our young people.

We are also incredibly proud of our pupils for embracing this opportunity with enthusiasm, maturity and professionalism. They have represented the school brilliantly, stepped outside their comfort zones and developed valuable skills that will benefit them in the future.

Thank you once again to everyone who helped make our work experience programme such a success. We look forward to continuing these valuable partnerships in the years ahead.

★ Sylw'r Cyflogwr – Lloyds Coaches am Brofiad Gwaith Violet

"Cawsom wythnos wych yn croesawu Violet o Ysgol Uwchradd Tywyn atom i Lloyds Coaches ar gyfer ei lleoliad profiad gwaith.

Roedd Violet yn seren go iawn, gan fanteisio ar bob cyfle i ddysgu am ein busnes. Treuliodd amser yn ennill profiad ar draws ystod eang o adrannau, gan gynnwys Cyllid, Gweithrediadau, Adnoddau Dynol, Marchnata a'r Gweithdy, gan ddangos brwdfrydedd ac awydd gwirioneddol i gymryd rhan ym mhob agwedd ar y gwaith.

Un o uchafbwyntiau'r wythnos oedd gweld Violet yn treulio amser ar y ffordd gyda'i thad, sy'n un o'n gyrwyr gwych yn ein depo ym Machynlleth. Roedd hyn yn rhoi cipolwg unigryw iddi ar ran bwysig arall o'r busnes. Mae wedi bod yn bleser pur cael Violet gyda ni. Diolch am dy holl waith caled a'th frwdfrydedd – mae'r dyfodol yn ddisglair!"

Diolch yn fawr i Lloyds Coaches am ddarparu profiad gwaith mor werthfawr ac am rannu'r geiriau caredig hyn am Violet.

★ Employer Spotlight – Lloyds Coaches on Violet's Work Experience

"We've had a wonderful week hosting Violet from Ysgol Uwchradd Tywyn for her work experience placement here at Lloyds Coaches.

Violet has been a total superstar, throwing herself into every opportunity to learn about our business. She spent time gaining experience across a wide range of departments, including Finance, Operations, HR, Marketing and the Workshop, showing enthusiasm and a real willingness to get involved.

One of the highlights of the week was seeing Violet spend time on the road with her dad, one of our brilliant drivers based at our Machynlleth depot, giving her a unique insight into another important part of the business. It has been an absolute pleasure having Violet with us. Thank you for all your hard work and enthusiasm – the future is bright!"

Thank you to Lloyds Coaches for providing such a fantastic work experience opportunity and for sharing these wonderful comments about Violet.

Eisteddfod Yr Ysgol / School Eisteddfod

10/7/26

Mae hi'n amser yr Eisteddfod unwaith eto!

Cynhaliwyd Eisteddfod flynyddol yr ysgol ddydd Gwener 10 Gorffennaf, gan ddod â disgyblion a staff ynghyd ar gyfer diwrnod gwych yn dathlu creadigrwydd, talent a gwaith tîm.

Bu disgyblion tai Cadfan, Dysynni a Maethlon yn cystadlu drwy gydol y dydd, gyda phob perfformiad yn ennill pwyntiau gwerthfawr i'w tî.

Cafodd y gynulleidfa fwynhau amrywiaeth wych o berfformiadau, wrth i'r disgyblion arddangos eu doniau drwy chwarae offerynnau cerdd, canu, dawnsio a meimio. Roedd y sioe ffasiwn ailgylchu hefyd yn llwyddiant mawr, gyda'r disgyblion yn modelu gwisgoedd creadigol a luniwyd yn gyfan gwbl o ddeunyddiau wedi'u hailgylchu, gan ddangos eu dychymyg a'u hymwybyddiaeth o'r amgylchedd.

Ar ôl cinio, tro'r staff oedd hi i gamu ar y llwyfan gyda'u perfformiadau eu hunain. Roedd eu brwdfrydedd, ynghyd â chwerthin, bloeddio a chefnogaeth y disgyblion, yn creu awyrgylch arbennig a llawn hwyl.

Daeth y diwrnod i ben gyda pherfformiadau corau'r tri tî, gan roi diwedd glo addas i ddiwrnod arbennig o ddathlu talent, creadigrwydd ac ysbryd cymunedol yr ysgol.

Llongyfarchiadau i'r tri tî am eu perfformiadau gwych drwy gydol y dydd. Dyma'r canlyniadau terfynol:

- 🏆 Safle Cyntaf: MAETHLON
- 🥈 Ail Safle: CADFAN
- 🥉 Trydydd Safle: DYSYNNI

Diolch o galon i bob disgybl ac aelod o staff a gyfrannodd at lwyddiant y diwrnod. Hoffem hefyd estyn ein diolch diffuant i Des George o Neuadd Dyfi am ddarparu'r goleuadau unwaith eto, ac i'n disgyblion, Deri Young a Connor Greaves, a weithiodd mor galed drwy gydol y dydd yn rheoli'r goleuadau a'r sain yn hynod broffesiynol.

Mae'r Eisteddfod yn parhau i fod yn un o uchafbwyntiau calendr yr ysgol, gan roi cyfle i ddisgyblion ddatblygu eu hyder, dathlu eu doniau, cydweithio fel tîm a chreu atgofion fydd yn para. Da iawn i bawb a gymerodd ran – rydym yn hynod falch ohonoch chi i gyd!

It's Eisteddfod time once again!

Our annual school Eisteddfod took place on Friday 10th July, bringing together pupils and staff for a fantastic day celebrating creativity, talent and teamwork.

Representing the houses of Cadfan, Dysynni and Maethlon, pupils competed throughout the day, with every performance earning valuable points for their house.

The audience enjoyed a wonderful variety of performances, with pupils showcasing their talents through instrumental music, singing, dancing and mime. Pupils also impressed everyone during the recycled fashion show, where they modelled imaginative outfits created entirely from recycled materials, demonstrating both creativity and environmental awareness.

Following lunch, it was the turn of the staff to take to the stage with their own performances. Their enthusiasm, combined with the pupils' laughter, cheering and encouragement, created a fantastic atmosphere and plenty of memorable moments.

The day concluded with each of the three house choirs performing their final song, bringing a fitting end to a wonderful celebration of talent, creativity and school spirit.

Congratulations to all three houses for their fantastic performances throughout the day. The final results were:

- 🥇 1st Place: MAETHLON
- 🥈 2nd Place: CADFAN
- 🥉 3rd Place: DYSYNNI

A huge thank you goes to every pupil and member of staff who helped make the day such a success. We would also like to extend our sincere thanks to Des George from Neuadd Dyfi for once again providing the lighting, and to our pupils, Deri Young and Connor Greaves, who worked tirelessly throughout the day managing the lighting and sound so professionally.

The Eisteddfod remains one of the highlights of the school calendar, providing pupils with the opportunity to develop confidence, celebrate their talents, work together as a team and create lasting memories. Well done to everyone who took part—we are incredibly proud of you all!

Wythnos Gweithgareddau

Opportunities Week

Wythnos Cyfleoedd

Dydd Llun i Ddydd Iau 13–16 Gorffennaf 2026

Wythnos Cyfleoedd flynyddol yw un o ddigwyddiadau mwyaf disgwyledig calendr ysgol Ysgol Uwchradd Tywyn, ac mae wedi bod yn rhan bwysig o ddiwylliant yr ysgol ers bron i 30 mlynedd.

Yn ystod yr wythnos hon, mae'r amserlen ysgol arferol yn cael ei hatal a'i disodli gan weithgareddau wedi'u cynllunio i ddatblygu sgiliau hanfodol fel datrys problemau, gwaith tîm, cyfathrebu ac arweinyddiaeth.

Mae'r wythnos unigryw hon yn meithrin creadigrwydd ac yn herio disgyblion gyda thasgau sy'n ddifyr ac yn heriol, gan ei gwneud yn rhan hanfodol o'u profiad ysgol a'u datblygiad personol.

Ar gyfer disgyblion Blwyddyn 7, 8 a 9, trefnir amrywiaeth eang o weithgareddau awyr agored a chreadigol yn yr ardal leol. Mae gan ddisgyblion Blwyddyn 10 gyfle i gymryd rhan mewn gweithgareddau fel heicio, zipio a cherdded ceunant.

Mae Wythnos Cyfleoedd yn canolbwyntio ar ddatblygu sgiliau nad ydynt yn academaidd sydd yn gynyddol yn cael eu gwerthfawrogi yn y gweithle. Mae athrawon yn arsylwi ar ddisgyblion mewn amgylchedd gwahanol i'r ystafell ddosbarth, ac maent wedi gweld bod yr hyder y mae'r disgyblion yn ei ennill o'r gweithgareddau hyn yn aml yn trosglwyddo i'w gwaith academaidd.

Mae'r profiadau a'r sgiliau a enillir yn ystod Wythnos Cyfleoedd wedi'u cynllunio i bara am oes, gan roi'r disgyblion yr offer i wynebu heriau a sefyllfaoedd y gallent ddod ar eu traws ar ôl gadael yr ysgol.

Yn y pen draw, mae Wythnos Cyfleoedd yn cynnig rhywbeth i bawb, gan sicrhau bod pob disgybl yn gallu gweld gwerth a mwynhad yn y gweithgareddau.

Opportunities Week

Monday to Thursday 13–16 July 2026

The annual Opportunities Week is a highly anticipated event in the school calendar at Ysgol Uwchradd Tywyn, having been a significant part of the school's culture for nearly 30 years.

During this week, the regular school timetable is suspended and replaced with activities designed to develop essential skills such as problem-solving, teamwork, communication, and leadership.

This unique week fosters creativity and challenges students with tasks that are both engaging and demanding, making it a pivotal part of their school experience and personal development.

For students in Years 7, 8, and 9, a wide variety of outdoor and creative activities are organized within the local area. Year 10 students have the opportunity to participate in activities such as hiking, zip lining, and gorge walking.

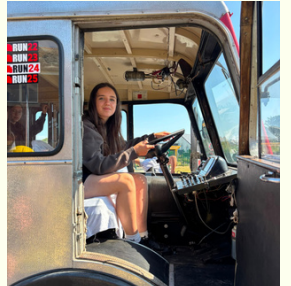

Opportunities Week focuses on developing non-academic skills that are increasingly valued in the workplace. Teachers observe students in a different environment than the classroom, and they have found that the confidence students gain from these activities often carries over into their academic work.

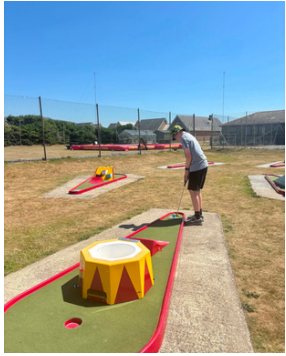

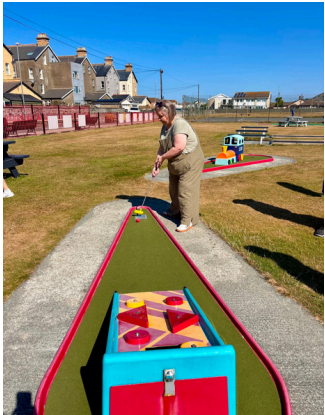

The experiences and skills gained during Opportunities Week are designed to last a lifetime, equipping students to face challenges and situations they may encounter after leaving school.

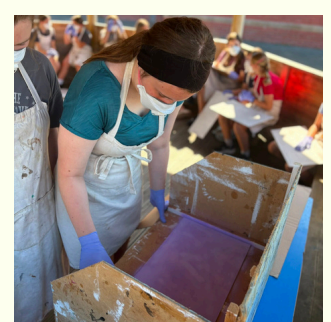

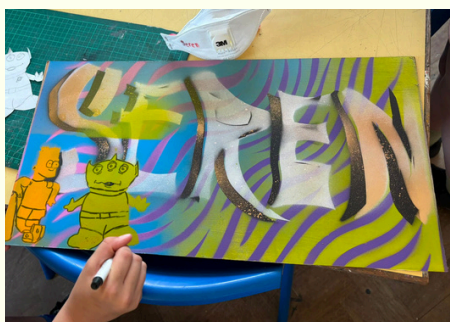

Ultimately, Opportunities Week offers something for everyone, ensuring that each student can find value and enjoyment in the activities.

Her Challenge

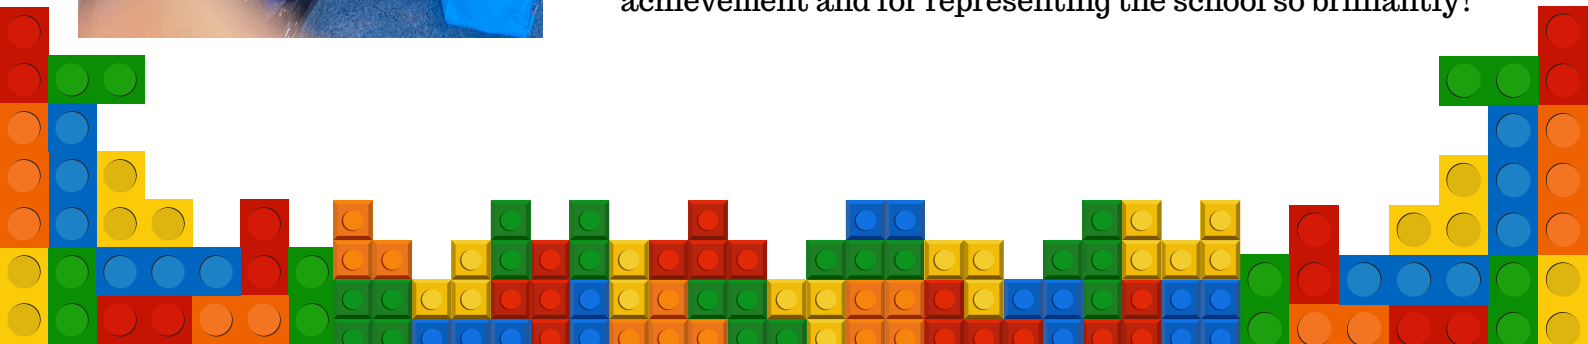

Llongyfarchiadau i Dîm Her LEGO Blwyddyn 9! 🧱
Llongyfarchiadau mawr i'n disgyblion Blwyddyn 9, a enillodd
y trydydd safle yn Her LEGO Gogledd Cymru.
Rhoddodd y gystadleuaeth gyfle i'r disgyblion ddefnyddio eu
creadigrwydd, eu sgiliau datrys problemau a'u gallu i weithio
fel tîm wrth gwblhau cyfres o heriau peiranneg a dylunio
cyffrous gan ddefnyddio LEGO.
Da iawn i bawb a gymerodd ran ar y cyflawniad arbennig
hwn ac am gynrychioli'r ysgol mor wych!

Congratulations to our Year 9 LEGO Challenge Team! 🧱
A huge congratulations to our talented Year 9 pupils, who
achieved an impressive 3rd place in the North Wales LEGO
Challenge.

The competition provided pupils with the opportunity to put
their creativity, teamwork and problem-solving skills to the
test as they worked together to tackle a series of exciting
engineering and design challenges using LEGO.

Well done to everyone involved on this fantastic
achievement and for representing the school so brilliantly!

Newyddion Disgyblion / Pupil News

🚴 Diweddariad arall am rasio Bertie! 🚴

Llongyfarchiadau mawr i Bertie, blwyddyn 8, a gystadlodd ym Mhencampwriaethau Disgyn Lawr Allt Cymru yn Llangynog y penwythnos hwn ac a ddaeth yn ail yn y gystadleuaeth! 🏅

Camp arbennig yn erbyn rhai o'r beicwyr gorau yng Nghymru. Rydym yn falch iawn o'ch gwaith caled, eich penderfyniad a'ch llwyddiant.

Da iawn, Bertie! 🙌🎉

🚴 Another Bertie racing update! 🚴

A huge congratulations to Bertie, year 8, who competed in the Welsh Downhill Championships in Llangynog this weekend and achieved an incredible 2nd place finish! 🏅

What a fantastic achievement against some of the best riders in Wales. We are very proud of your hard work, determination and success.

Well done, Bertie! 🙌🎉

Rydym yn falch iawn o gyhoeddi bod Ellie Hall, disgybl Blwyddyn 8, wedi derbyn canmoliaeth yng Ngwobr Anthea Bell i Gyfieithwyr Ifanc.

Mae hon yn gamp arbennig o fawr, gan fod y gystadleuaeth, a drefnir gan The Queen's College, Prifysgol Rhydychen, yn agored i ddisgyblion ar draws pedair blwyddyn academiaidd, mewn wyth iaith wahanol, o bob cwr o'r Deyrnas Unedig.

Rydym yn hynod falch o ymdrechion ein holl ddysgwyr Ffrangeg a gymerodd ran yn y tasgau cyfieithu, ac rydym wrth ein bodd â llwyddiant Ellie. Llongyfarchiadau, Ellie!

We are delighted to announce that Year 8 student, Ellie Hall, has received a commendation in the Anthea Bell Prize for Young Translators.

This is an outstanding achievement, as the competition, organised by The Queen's College at the University of Oxford, is open to pupils across four academic year groups in eight different languages from across the UK.

We are incredibly proud of the efforts of all our French learners who took part in the translation tasks, and we are absolutely thrilled with Ellie's success. Congratulations, Ellie!

Llongyfarchiadau i Finley!

Llongyfarchiadau mawr i Finley Smith (8JS), a dderbyniodd wobwr Y Chwaraewr Wedi Gwella Mwyaf yn Noson Wobrwyo Clwb Hoci Dysynni ar 27 Mehefin. Mae hon yn gamp arbennig ac yn gydnabyddiaeth wych o waith caled, ymroddiad ac ymrwymiad Finley drwy gydol y tymor. Rydym yn falch iawn ohono ac yn gobeithio y bydd yn mwynhau dathlu'r llwyddiant haeddiannol hwn. Da iawn, Finley!

Celebrating Finley's Success!

A huge congratulations to Finley Smith (8JS), who was awarded Most Improved Player at Dysynni Hockey Club's Presentation Evening on 27th June. This is a fantastic achievement and a wonderful recognition of Finley's hard work, dedication and commitment throughout the season. We are incredibly proud of him and hope he enjoys celebrating this well-deserved award. Well done, Finley!

NEWYDDION MABOLGAMPAU/SPORTS NEWS

Llongyfarchiadau i Lola a Nancy ar Eu Llwyddiant mewn Hoci!

Llongyfarchiadau i **Lola Richards** (Blwyddyn 7) a **Nancy Maccall** (Blwyddyn 8), a deithiodd i Nottingham ddydd Sadwrn 11 Gorffennaf i gynrychioli eu tîm ym Mhencampwriaeth Hoci Dan 13. Chwaraeodd y tîm saith gêm, gan ennill tair a cholli pedair, gan orffen yn 9fed allan o 12 tîm mewn cystadleuaeth gref iawn. Yn ystod y twrnament, sgoriodd y tîm 14 gôl, gan ddangos gwaith tîm rhagorol, penderfyniad ac ymosod effeithiol drwy gydol y dydd.

Fel tîm ifanc, roedd hon yn gamp wych ac yn brofiad gwerthfawr. Rydym yn falch iawn o Lola a Nancy am gynrychioli eu tîm mor arbennig, ac edrychwn ymlaen at weld beth y gallant ei gyflawni yn nhwrrnament y flwyddyn nesaf.

Da iawn, Lola a Nancy!

Congratulations to Lola and Nancy on Their Hockey Success!

Congratulations to **Lola Richards** (Year 7) and **Nancy Maccall** (Year 8), who travelled to Nottingham on Saturday 11 July to represent their team in the Under-13 Hockey Tournament. The team played an impressive seven matches, winning three and narrowly losing four, finishing 9th out of 12 teams in a highly competitive field. Across the tournament, they scored an outstanding 14 goals, demonstrating great teamwork, determination, and attacking play throughout the day. As a young team, this was a fantastic achievement and a valuable experience. We are incredibly proud of Lola and Nancy for representing their team so well and look forward to seeing what they can achieve at next year's tournament.

Well done, Lola and Nancy!
