Hyfforddiant Alldaith Dug Caeredin – 13eg Mai 2025

Ar 13eg Mai, aeth grŵp Gwobr Efydd Dug Caeredin allan am hyfforddiant alldaith, i baratoi ar gyfer eu hasesiad sydd i ddod mewn dim ond ychydig wythnosau.

Dros gyfnod o ddau ddiwrnod, fe ddatblygodd y criw sgiliau hanfodol ar gyfer yr awyr agored, gan gynnwys sut i osod a phacio pebyll, a sut i drefnu sach gefn alldaith – gan gario popeth fydd ei angen arnynt ar gyfer cyfnod yr asesiad. Fe ddysgon nhw hefyd sut i ddarllen mapiau a sut i goginio prydau ar stôf trangia.

Cynhaliwyd dau daith gerdded ymarferol: y cyntaf o gwmpas ardal Tywyn, a'r ail yn ardal Dolgellau, gan ddringo i fyny at Foel Ispri. Gwnaeth y tîm yn wych, gan roi'r holl sgiliau newydd ar waith gyda brwdfrydedd a gwaith tîm rhagorol.

Rydym yn edrych ymlaen at eu hasesiad fis nesaf! **Delyth Jones-leuenctid Gwynedd Youth**

Diolch yn fawr iawn Delyth gan yr ysgol am gymryd y disgyblion

Duke of Edinburgh Expedition Training – 13th May 2025

On 13th May, the Duke of Edinburgh Bronze group headed out for their expedition training, getting ready for their upcoming assessment in just a few weeks.

Over the course of two days, the group developed essential outdoor skills, including how to pitch and pack away tents, and how to organise an expedition rucksack – carrying everything they'll need for the duration of their assessment. They also practised map reading and learned how to cook meals using a Trangia stove.

Their training included two practice walks: the first around the Tywyn area, and the second a more challenging route in the Dolgellau area, climbing up to Foel Ispri. The team performed brilliantly, putting all their new skills into action with great enthusiasm and teamwork.

We're looking forward to seeing them take on their assessment next month! **Delyth Jones-leuenctid Gwynedd Youth**

Wythnos Ymwybyddiaeth o Dlodi Mislif

Period Poverty Awareness Week

Cynhyrchion am ddim
Free period products

Yn Cefnogi Wythnos Tlodi Mislif

Heddiw, a fory i gefnogi Wythnos Tlodi Mislif, rydym yn falch o allu darparu cynnyrch mislif am ddim i ddisgyblion yn ystod amser egwyl a cinio.

Mae tlodi mislif yn cyfeirio at y diffyg mynediad at gynnyrch mislif fforddiadwy, cyfleusterau glanweithdra addas, a'r addysg sydd ei hangen i reoli iechyd mislif yn effeithiol. Mewn geiriau syml, mae tlodi mislif yn costio gormod i ferched a genethod — ac nid oes raid iddo fod fel hyn.

Hoffem estyn diolch o galon i'r busnesau lleol, rhieni, ac aelodau'r gymuned sydd wedi bod yn hael drwy rhoi cynnyrch am ddim. Mae eich caredigrwydd a'ch cefnogaeth wedi helpu i wneud hwn yn ddigwyddiad llwyddiannus ac ystyrlon iawn.

Supporting Period Poverty Week

Today, and tomorrow in support of Period Poverty Week, we were proud to provide pupils with free period products during the lunch break.

Period poverty refers to the lack of access to affordable menstrual products, proper sanitation and hygiene facilities, and the education needed to manage menstrual health. Simply put, period poverty costs women and girls too much — and it doesn't have to be this way.

We would like to extend a heartfelt thank you to all the local businesses, parents, and members of our community who generously donated products. Your kindness and support have helped make this a truly successful and meaningful event.

Cystadleuaeth Archwilwyr Seiber: Ail Safle Cymru 2025!

Mae Archwilwyr Seiber, menter a arweinir gan Lywodraeth y DU, yn rhaglen ddysgu ar-lein ar gyfer diogelwch seiber ac yn adnodd am ddim i bobl ifanc. Mae'r gystadleuaeth yn brofiad arloesol a gynlluniwyd i danio angerdd am ddiogelwch seiber ymhlith disgyblion 11–14 oed ledled y DU. Mae'r gystadleuaeth unigryw hon yn cynnig cyfuniad o addysg, technoleg a chyffro, gyda'r nod o herio meddyliau ifanc a'u cyflwyno i fyd esblygol diogelwch seiber, gan ddarparu profiad mewn meddwl beirniadol a gwaith tîm.

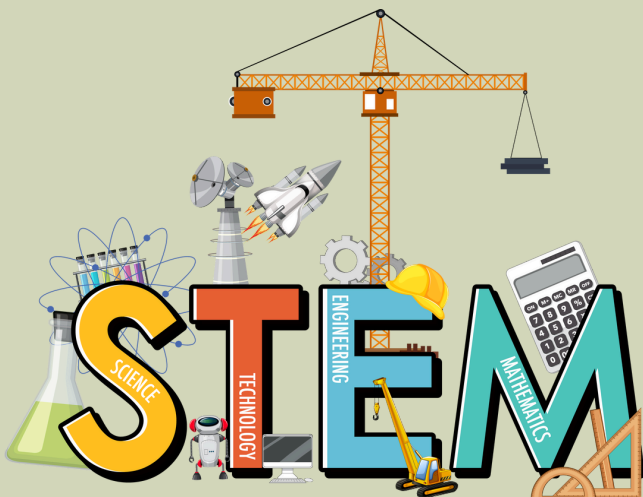

Ar ddydd Gwener 4 Ebrill, mewn ras yn erbyn amser i ddod yn bencampwyr, roedd heriau i'w goresgyn mewn tair maes hanfodol: Pobl, Prosesau a Thechnoleg. Roedd pob buddugoliaeth yn datgloi posau newydd a thasgau diogelwch seiber, gan wthio sgiliau i'r eithaf mewn ymdrech i sicrhau systemau cyfrinachol y Cyber Squad. Rydym wrth ein bodd i gyhoeddi bod ein Grŵp Gwyddoniaeth Dawson Blwyddyn 9 wedi sicrhau'r Ail Safle yng Nghymru ar gyfer Cystadleuaeth 2025! Llongyfarchiadau mawr i'n disgyblion am wneud mor dda.

Cyber Explorers Competition: Welsh Runners Up 2025!

Cyber Explorers, an initiative led by the UK Government, is an online learning programme for cyber security and is a free resource for young people. The competition is an innovative experience designed to ignite a passion for cyber security among students aged 11–14 across the UK. This unique contest offers a blend of education, technology, and excitement, aiming to challenge young minds and introduce them to the ever-evolving world of cyber security whilst providing experience in critical thinking and teamwork.

On Friday 4th April, in a race against time to become champion, there were challenges to tackle in three essential areas: People, Processes, and Technology. Each victory unlocked new puzzles and cyber security tasks, pushing skills to the limit in a race to make the Cyber Squad's top-secret systems safe.

We are delighted to announce that our Year 9 Dawson Science Group have been crowned Runners Up in Wales for the 2025 Competition! Well done to our pupils for doing so well.

Wythnos Iechyd Meddwl Mental Health Week

21/5/25

Dathlu Wythnos Iechyd Meddwl gyda North Wales Sauna

Ddydd Mercher 21ain Mai, cawsom y frant o groesawu Rachel ac Andrew o North Wales Sauna, a roddodd o'u hamser a'u cyfleusterau yn hael i gefnogi dathliadau Wythnos Iechyd Meddwl yn ein hysgol. Fe wnaeth eu cyfraniad greu profiad bythgofiadwy i'n disgyblion, staff, a'r gymuned ehangach — i gyd er budd achos hynod bwysig.

Cychwynnodd y prynhawn gyda llawer o gyffro wrth i'r staff wynebu'r Her Bwced Iâ — tywallt bwcedi o ddŵr iâ dros eu pennau a phlymio i mewn i bwl iâ — i godi arian ar gyfer yr elusen iechyd meddwl Mind, ac ar gyfer darpariaeth lles ein hysgol. Cafwyd llawer o chwerthin, cymeradwyaeth, ac ambell wyneb siocedig, gan greu dechrau cofiadwy i'r diwrnod! Ar ôl eu tro ingol yn y rhew, cafodd y staff gyfle i gynhesu ac ymlacio yn y sawna pren wedi'i thanio â choed a ddarparwyd gan North Wales Sauna.

Yn ddiweddarach y prynhawn hwnnw, agorwyd y digwyddiad i'r gymuned leol, gyda Rachel ac Andrew yn cynnig sesiynau blasu sawna am ddim i'r cyhoedd. Roedd y caredigrwydd hwn yn gyfle bendigedig i ddod â phobl ynghyd, gan gynnig eiliadau o ymlacio, cysylltu ac ymgom — elfennau hollbwysig o iechyd meddwl cadarnhaol.

Pam mae Iechyd Meddwl yn Bwysig mewn Ysgolion?

Mae hyrwyddo iechyd meddwl a lles mewn ysgolion yn bwysicach nag erioed. Mae plant a phobl ifanc yn wynebu mwy o bwysau heddiw, ac mae ysgolion yn chwarae rôl hollbwysig wrth gefnogi gwytnwch emosiynol a chreu amgylchedd diogel lle mae disgyblion yn teimlo eu bod yn cael eu gweld, eu clywed, a'u cefnogi. Mae digwyddiadau fel hyn nid yn unig yn codi arian, ond hefyd yn codi ymwybyddiaeth — gan ddangos i'n disgyblion a'n cymuned fod iechyd meddwl yr un mor bwysig ag iechyd corfforol.

Rydym yn falch iawn o gyhoeddi bod y digwyddiad hwn wedi codi £[rhowch swm yma] i gefnogi Mind ac i wella ein darpariaeth lles yn yr ysgol. Bydd yr arian yma'n mynd yn syth at adnoddau a gweithgareddau sy'n cefnogi lles meddyliol ac emosiynol ein disgyblion.

Diolch o Galon

Diolch o galon i Rachel ac Andrew am eu haelioni a'u cefnogaeth. Os nad ydych eisoes wedi gwneud, ewch i'w dudalen Facebook neu i'w gwefan www.northwalessauna.co.uk i ddysgu mwy am eu gwaith.

Ac yn olaf, diolch i bawb a gefnogodd, a gymerodd ran neu a gyfrannodd — mae eich caredigrwydd yn ein helpu i adeiladu cymuned ysgol iachach a mwy tosturiol.

Celebrating Mental Health Week with North Wales Sauna

On Wednesday 21st May, we had the pleasure of welcoming Rachel and Andrew from North Wales Sauna, who generously offered their time and facilities to support our school's Mental Health Week celebrations. Their contribution created an unforgettable experience for our students, staff, and wider community – all in support of a very important cause.

We kicked off the afternoon with great energy as the staff bravely took on the Ice Bucket Challenge – drenching themselves with icy water and plunging into the ice bath – all in the name of raising funds for the mental health charity Mind, and for the school's own wellbeing provision. Laughter, cheers, and a few shocked expressions made it a memorable start to the day! After their frosty dip, staff members had the chance to warm up and relax in the beautifully crafted wood-fired sauna provided by North Wales Sauna.

Later in the day, the event was opened up to the local community, with Rachel and Andrew kindly offering free sauna taster sessions to the public. This gesture created a wonderful opportunity to bring people together, offering moments of relaxation, connection, and conversation – all key components of positive mental health.

Why Mental Health Matters in Schools

Promoting mental health and wellbeing in schools is more important than ever. Children and young people today face increasing pressures, and schools play a vital role in supporting emotional resilience and creating a safe environment where students feel seen, heard, and supported. Events like these not only raise funds but also raise awareness – showing our students and community that mental health matters just as much as physical health.

We are proud to say that thanks to everyone's generosity and enthusiasm, the event raised £[insert amount] to support both Mind and our ongoing wellbeing initiatives within school. These funds will go directly towards resources and activities that support the mental and emotional wellbeing of our students.

Thank You

A heartfelt thank you to Rachel and Andrew for their incredible generosity and support. If you haven't already, please do check them out on [Facebook](#) or visit their website at www.northwalessauna.co.uk to learn more about their work. And finally, thank you to everyone who supported, participated, and donated – your kindness is helping us build a healthier, more compassionate school community.

**PRIDE MONTH & HEALTHY EATING
WEEK AT YSGOL UWCHRADD TYWYN**
11-12/6/25

Dydd Mercher wythnos yma, cymerodd disgyblion ran yn frwdfrydig yn y clwb coginio a drefnwyd gennym i ddathlu Wythnos Bwyta'n Iach a Mis Balchder. Mae'r ddau achlysur pwysig hyn yn cynnig cyfleoedd gwerthfawr i hyrwyddo lles ac amlygu cynhwysiant yn ein cymuned ysgol.

Mae Wythnos Bwyta'n Iach yn annog pawb i wneud dewisiadau bwyd ystyriol sy'n cefnogi iechyd corfforol, lles meddyliol, ac egni cyffredinol. Drwy baratoi byrbrydau iachus a lliwgar, dysgodd ein disgyblion sut gall cynhwysion llawn bywyd a maeth bweru'r corff a chodi hwyliau.

Ar yr un pryd, mae Mis Balchder yn dathlu amrywiaeth, derbyn, a phwysigrwydd coleddu hunaniaeth unigryw pawb. Drwy gyfuno'r dathliadau hyn trwy goginio, roedd modd i ni danlinellu sut mae bwyd yn dod â phobl ynghyd, gan feithrin ysbryd undod a pharch.

Yna dydd Iau, cafodd disgyblion gyfle i flasgu detholiad o fyrbrydau iach a bwydydd maethlon eraill. Llongyfarchiadau i'r holl ddisgyblion a'r staff am eu creadigrwydd, eu brwdfrydedd, a'u hymrwymiad i fyw'n iach ac i fod yn gynhwysol. Gwnaeth eich cyfraniad y clwb coginio yn brofiad hwyllog ac ystyrlon i bawb!

Diolch o galon i bawb a gyfrannodd y cynhwysion amrywiol yn garedig i wneud y digwyddiad hwn yn llwyddiant.

On Wednesday this week, pupils enthusiastically participated in the cooking club we organized to celebrate both Healthy Eating Week and Pride Month. These two important occasions offer valuable opportunities to promote wellbeing and inclusivity within our school community.

Healthy Eating Week encourages everyone to make mindful food choices that support physical health, mental wellbeing, and overall energy. By preparing nutritious and colourful snacks, our pupils learned how vibrant, wholesome ingredients can fuel their bodies and boost their mood.

At the same time, Pride Month celebrates diversity, acceptance, and the importance of embracing everyone's unique identity. Combining these celebrations through cooking allowed us to highlight how food brings people together, fostering a spirit of unity and respect.

On Thursday we then had a selection of healthy snacks and other nutritious foods for the pupils to sample.

Well done to all pupils and staff for their creativity, enthusiasm, and commitment to both healthy living and inclusivity. Your participation made the cooking club a fun and meaningful experience for all!

Thank you to everyone who kindly donated the various ingredients to make this event a success.

Menter Iaith

24/6/25

Dydd Mawrth, 24ain o Fehefin, cawsom y fraint o groesawu Ed Holden, sef Mr Phormula, a Mei Emrys fel rhan o daith Menter Iaith.

Yn ystod y bore, mwynhaodd disgyblion Blwyddyn 8 weithdai Hiphop difyr dan arweiniad Mr Phormula, a ddangosodd ei sgiliau beatboxio a rapio anhygoel. Bu'r disgyblion yn frwdfrydig iawn ac fe gymeron nhw ran drwy greu eu raps eu hunain yn Gymraeg, a gafodd eu perfformio yn y prynhawn.

Yn ogystal, cafodd disgyblion gyfle i fynychu sesiwn ddiddorol gyda Mei Emrys ar ddarlledu a sylwebaeth chwaraeon. Roedd cefnogwyr pêl-droed wrth eu boddau yn trafod clipiau o gemau ac yn mynegi'u barn yn Gymraeg – ffordd wych o gyfuno'r iaith gyda'u diddordebau.

Ar ôl cinio, daeth disgyblion Blwyddyn 7 ac 8 at ei gilydd yn y neuadd ar gyfer perfformiad arbennig gan Mr Phormula. Cafodd y raps a grëwyd yn gynharach eu perfformio gan Mr Phormula, ac roedd gemau hwyliog fel 'Dyfalu'r Rhaglen Deledu' a brwydr rhwng disgyblion ac aelodau staff yn ychwanegu at yr hwyl. Roedd pawb yn mwynhau'n fawr!

Roedd y diwrnod cyfan yn rhan o fenter i hyrwyddo ac annog defnyddio'r Gymraeg. Siaradodd ein gwesteion am pa mor lwcus ydym i allu siarad dwy neu fwy o ieithoedd, a pha mor bwysig yw parhau i gadw'r Gymraeg yn fyw.

Hoffem ddiolch i Osian Rhys Roberts o Menter Iaith am drefnu'r digwyddiad. Cyfarfu Osian â Fforwm Cymraeg yr ysgol a'r Cyngor Ysgol i drafod eu barn am yr iaith Gymraeg a manteision bod yn ddwyieithog. Ddiolch yn fawr iawn i Mei ac Ed am ddiwrnod llawn gwybodaeth, hwyl ac ysbrydoliaeth – cafodd y disgyblion (a'r staff!) amser bendigedig.

On Tuesday 24th June, we were excited to welcome Ed Holden, also known as Mr Phormula, and Mei Emrys as part of the Menter Iaith tour.

During the morning, our Year 8 pupils took part in engaging Hip Hop workshops led by Mr Phormula, who showcased his incredible beatboxing and rapping skills. The pupils were enthusiastic and got involved by creating their own raps in Welsh, which were later performed in the afternoon.

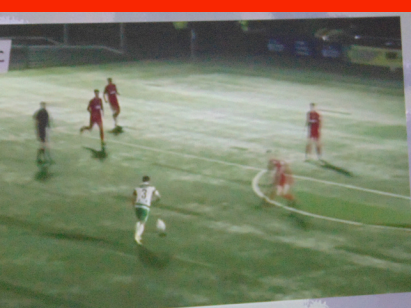

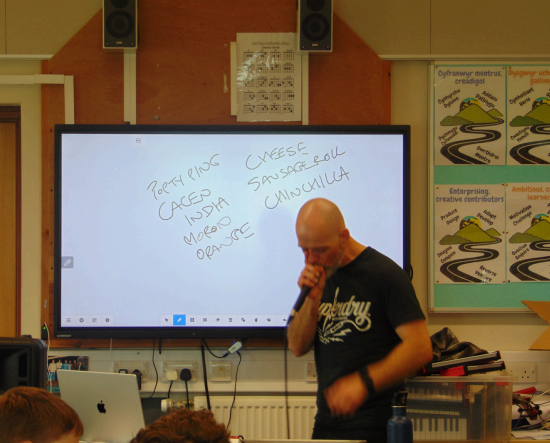

At the same time, pupils had the opportunity to join Mei Emrys for a fascinating workshop on sports broadcasting and observation. Football fans particularly enjoyed analysing match clips and discussing them in Welsh – a great way to combine language skills with their passions.

After lunch, Year 7 and 8 pupils gathered in the hall for an exciting performance by Mr Phormula. He performed the raps created earlier by the pupils and led fun interactive games, including "Guess the TV Programme" and a lively rap battle between pupils and staff. The atmosphere was electric, and everyone thoroughly enjoyed the show.

The whole day was part of an initiative to support and celebrate the Welsh language. Our guests spoke about the value of bilingualism and how fortunate we are to be able to speak two or more languages. They also highlighted the importance of keeping the Welsh language alive for future generations.

We would like to thank Osian Rhys Roberts from Menter Iaith for organising the event. Osian met with our school's Welsh Forum and School Council groups to discuss their thoughts on the Welsh language and the benefits of being bilingual.

We'd like to say thank you to Ed and Mei for an inspiring, fun-filled day that both pupils and staff thoroughly enjoyed.

Prom Ysgol Uwchradd Tywyn Prom 19/6/25

Roedd Nos Iau, 19 Mehefin 2025 yn ddigwyddiad arbennig iawn yn nghalendr YUT – Noson y Prom! Daeth disgyblion, eu teuluoedd, ffrindiau a staff ynghyd yn yr ysgol i ddechrau noson fythgofiadwy o ddathl. Roedd y disgyblion yn edrych yn wych yn eu ffrogiau ysblennydd a'u siwtiau smart, gan gyrraedd mewn ffyrdd trawiadol; o dractorau a cheir perfformiad uchel i injan dân gyda goleuadau glas a seirenau – roedd yr ymddangosiadau'n sicr wedi creu argraff! Roedd gwenau a chymeradwyaeth yn llenwi'r awyr wrth i baw wylio gyda balchder a chyffro.

Cafwyd digon o amser i dynnu lluniau gyda ffrindiau a theulu cyn i'r disgyblion fynd ymlaen i leoliad y prom The Woodlands, Bryn-crug – lle dechreuodd y parti go iawn. Roedd y noson yn cynnwys cerddoriaeth fyw, wych, disgo bywiog, bwyd blasus, ac wrth gwrs, Seremoni Wobrau'r Prom oedd pawb yn ei ddisgwyl yn eiddgar, gyda 18 o wobrau ar gael!

Coronwyd Mohsin a Lily yn Frenin a Brenhines y Prom.

Rydym wir yn gobeithio bod ein disgyblion Blwyddyn 11 wedi mwynhau'r noson – roedd yn wych eu gweld ymlacio, yn chwerthin, ac yn creu atgofion ar ôl cyfnod llawn straen ar gyfer eu harholiadau TGAU. Diolch enfawr i Miss Tronet, Bethan, a'r holl staff a helpodd i drefnu'r digwyddiad arbennig hwn; i Sarah Dora, wirfoddolodd ei gwasanaethau colur yn rhad ac am ddim i ddisgyblion a oedd am gael eu colur wedi'i wneud; i Chris Pomeroy am ddarparu adloniant rhagorol; i Jack Fox am ddal eiliadau bythgofiadwy trwy e ffotograffiaeth; ac i 'Y Bryn-Clubhouse', The Woodlands, am gynnal achlysur mor gofiadwy unwaith eto.

Thursday, 19th June 2025 marked a truly special event in the YUT calendar – Prom Night!

Pupils, their families, friends, and staff all gathered at the school to kick off an unforgettable evening of celebration. The pupils looked absolutely stunning in their elegant dresses and smart suits, arriving in show-stopping style; from tractors and high-performance cars to a fire engine complete with blue lights and siren – the arrivals certainly made an impression! Smiles and cheers filled the air as everyone watched with pride and excitement.

There was plenty of time for photographs with friends and family before pupils made their way to the prom venue – The Woodlands, Bryn-crug – where the real party began. The evening featured fantastic live music, lively disco, delicious food, and, of course, the eagerly awaited Prom Awards Ceremony, where 18 awards were up for grabs.

Prom King and Queen were awarded to Mohsin and Lily.

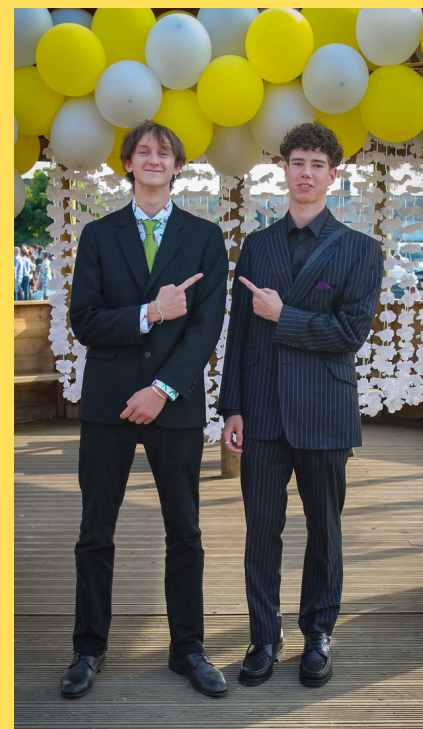

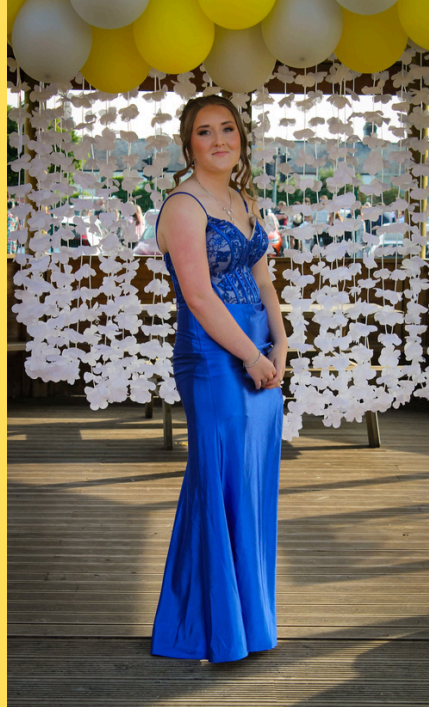

We truly hope our Year 11 pupils enjoyed their night – it was wonderful to see them relaxing, laughing, and making memories after the intense GCSE exam period they've just completed.

A huge thank you goes to Miss Tronet, Bethan, and all the staff who helped organise this special event; to Sarah Dora, who kindly volunteered her makeup services for free to pupils who wanted their makeup done; to Chris Pomeroy for providing outstanding entertainment; to Jack Fox for capturing unforgettable moments through his photography; and to 'Y Bryn-Clubhouse', The Woodlands, for once again hosting such a memorable occasion.

We hope our Year 11 leavers will treasure the memories of this special night with their friends for many years to come.

DIWRNOD MABOLGAMPAU YUT SPORTS DAY

- 3ydd Safle – Cadfan
- 2il Safle – Dysynni
- 1af Safle – Maethlon

**Llongyfarchiadau mawr i
Maethlon am gipio'r
fuddugoliaeth!**

Ar ddydd Iau heulog iawn, 19 Mehefin 2025, cynhaliodd Ysgol Uwchradd Tywyn ei Diwrnod Mabolgampau blynyddol. Roedd disgyblion wedi'u rhannu'n dri thîm—Dysynni, Maethlon, a Cadfan—ac aethant benben mewn nifer o gystadlaethau, gan gynnwys naid uchel, naid hir, taflu'r pwysau, disg, gwaywffon, a rasys rhedeg.

Dechreuodd y diwrnod am 9 y bore, gyda disgyblion yn gwisgo lliwiau eu timau i fynd i'r ysbryd cystadleuol. Eu nod: ennill cymaint o bwyntiau â phosibl i'w tîm a sicrhau buddugoliaeth. Roedd yr awyrgylch yn llawn cyffro, ac roedd pawb yn rhoi 110% i mewn i'w perfformiadau.

Yn ystod yr egwyliau arferol, daeth staff y ffreutur i Gae Rhianfa gan ddarparu bwyd a diodydd blasus i'r disgyblion a'r staff – rhywbeth a gafodd ei werthfawrogi'n fawr yn yr haul poeth.

Parhaodd y disgyblion â'u hymdrechion hyd at amser cinio, ac yna dychwelodd pawb i'r ysgol am egwyl haeddiannol. Ailddechreuodd y prynhawn yn ôl ar y cae, lle cynhaliwyd y digwyddiadau olaf.

Unwaith i'r holl gystadlaethau ddod i ben, ychwanegodd Miss Tronet a Mr Dunne bwyntiau pob tîm – gan wneud gwaith gwyh wrth wneud hynny. Wrth i'r diwrnod ddod i ben, roedd disgyblion yn aros yn eiddgar am y canlyniadau terfynol.

Hoffem fel ysgol ddiolch o galon i'r disgyblion am eu penderfyniad a'u chwarae teg; i'r Adran Addysg Gorfforol am drefnu'r diwrnod; i staff y ffreutur am gadw pawb wedi'u bwydo ac wedi'u hadferu; ac i staff gwyh YUT a fu'n stiwardio pob digwyddiad ac yn cadw'r system sgorio. Roedd yn ddiwrnod arbennig, llawn hwyl, a threfnwyd yn wych. Da iawn pawb!

- 3 3rd Place – Cadfan
- 2 2nd Place – Dysynni
- 1 1st Place – Maethlon

**Big Congratulations to
Maethlon for taking the win!**

On a very sunny Thursday, 19th June 2025, Ysgol Uwchradd Tywyn held its annual school Sports Day. Pupils were split into three house teams—Dysynni, Maethlon, and Cadfan—which went head-to-head in a variety of events, including high jump, long jump, shot put, discus, javelin, and a range of running races.

The day began at 9am, with pupils proudly wearing their team colours to get into the competitive spirit. Their aim: to win as many points as possible for their team and claim victory. The atmosphere was electric, and every pupil gave 110% in their performance.

During the regular break times, the school canteen set up at Cae Rhianfa, providing delicious food and refreshments for pupils and staff—a welcome treat in the high temperatures.

The pupils continued their efforts right up to lunchtime, after which everyone returned to school for a well-earned break. The afternoon session resumed back on the field, where the remaining events took place.

Once all events had concluded, Miss Tronet and Mr Dunne carefully tallied the points for each team—doing a fantastic job in the process. As the day drew to a close, the excitement built as pupils eagerly awaited the final results.

Once all events had concluded, Miss Tronet and Mr Dunne carefully tallied the points for each team—doing a fantastic job in the process. As the day drew to a close, the excitement built as pupils eagerly awaited the final results.

As a school, we'd like to extend a massive thank you to our incredible pupils for showing such determination and sportsmanship; to the PE Department for organising the event; to the canteen staff for keeping everyone fed and hydrated; and to the amazing YUT staff who marshalled each event and managed the scoring system.

It was truly a fantastic and well-organised day. Well done to everyone involved!

TRIP DAERYDDIAETH GEOGRAPHY TRIP 26/6/25

Yn ddiweddar, cafodd criw o ddysgwyr blwyddyn 10 sy'n astudio Daearyddiaeth fel TGAU y cyfle i ymweld â Chaerdydd ac aros dros nos. Roedd hyn yn brofiad cyntaf i lawer ohonynt i ymweld a'r brif ddinas ac aros dros nos gan fod llawer wedi methu allan ar y cyfle yn ystod eu blynyddoedd olaf yn y cynradd oherwydd y pandemig.

Fel rhan o'r cwrs TGAU daearyddiaeth, mae Caerdydd yn un o'r astudiaethau achos sy'n rhaid astudio, felly roedd hyn yn gyfle perffaith i ni brofi a byw yr hyn â astudiwyd ar lawr y dosbarth go iawn! Mae sawl agwedd sy'n rhaid astudio o fewn yr astudiaeth achos ac fe gafodd y criw y cyfle i fiasu'r rhan fwyaf ohono, o'r byd masnach, i weld cysylltiadau trafnidiaeth y ddinas yn ogystal â gweld sut mae'r ddinas yn rhyngweithio a chyfathrebu gyda gweddill y byd. Profiad o ddinas byd-eang go iawn! Cafodd y criw gyfle i ymweld â amgueddfa Caerdydd, y farchnad, Stadiwm y Principality, pencadlys y BBC a Media Wales, Prifysgolion Caerdydd, Y Senedd, Canolfan y Mileniwm, cyfnewidfa newydd bysiau'r ddinas a'r gorsaf trên. Cafodd y criw hefyd y cyfle i fwynhau taith ar yr Aqua bus o ganol y ddinas i fewn i'r Bae. Roedd y tywydd yn fendigedig!

Wrth gwrs, roedd cyfle i'r criw hefyd fwynhau agweddau eraill yn y ddinas, llai addysgiadol, megis siopa a gemau raced gyda'r nos. Bu'r criw hefyd ddigon ffodus i gael gweld canolfan ymwelwyr newydd Pont ar Da far y ffordd lawr i'r brif ddinas. Cyfle gwych arall i fanteisio ar astudiaeth achos arall o fewn y cwrs, Bannau Brycheiniog. Cafodd y criw y cyfle i weld y cyfleusterau diweddaraf ar gyfer ymwelwyr a cherddwyr y mynydd, Pen y Fan. Deuddydd llawn a phrysur ond cafwyd amser da gan bawb!

Recently, a group of Year 10 pupils studying Geography as a GCSE had the opportunity to visit Cardiff and stay overnight. This was the first experience for many of them visiting the capital city and staying overnight, as many had missed out on the opportunity during their final years of primary school due to the Covid-19 pandemic.

As part of the GCSE Geography course, Cardiff is one of the required case studies, so this was a perfect opportunity for us to experience and live what we had studied in the classroom in real life! There are several aspects that must be studied within the case study, and the group had the chance to explore most of them — from commerce, to observing the city's transport connections, as well as seeing how the city interacts and communicates with the rest of the world. A true global city experience! The group had the chance to visit Cardiff Museum, the market, the Principality Stadium, the headquarters of BBC and Media Wales, Cardiff Universities, the Senedd (Welsh Parliament), the Millennium Centre, the city's new bus interchange, and the train station. They also had the chance to enjoy a trip on the Aqua Bus from the city centre to the Bay. The weather was fantastic!

Of course, the group also had the chance to enjoy other, less educational aspects of the city, such as shopping and racquet games in the evening. The group was also lucky enough to see the new visitor centre at Pont ar Daf on the way down to the capital. Another great opportunity to take advantage of another case study within the course — the Brecon Beacons (Bannau Brycheiniog). The group had the opportunity to see the latest facilities for visitors and mountain walkers at Pen y Fan. A full and busy two days — but everyone had a great time!

If you were an Engineer, what would you do?

Rydym wrth ein boddau yn rhannu newyddion am y gystadleuaeth "If you were an Engineer, What would you do?" – rhaglen STEM genedlaethol sy'n herio meddyliau ifanc i ddylunio atebion creadigol i broblemau'r byd go iawn.

Ar ôl taith ysbrydoledig lle cawsant gyfle i gyfweld â pheirianwyr go iawn, dylunio a nodi eu dyfeisiadau eu hunain, ac ysgrifennu llythyrau perswadiol yn egluro eu syniadau, cafodd naw o'n disgyblion eu cydnabod am eu ceisiadau rhagorol. Yr wythnos hon, cawsant eu gwahodd i ddigwyddiad dathlu arbennig yng Nghaerdydd i anrhydeddu eu llwyddiannau.

☀️ Llongyfarchiadau i:

Aneira, Gwilym, India, Elen, Holly, Jessica, Curtis, Ava a Nancy – pob un wedi derbyn naill ai gwobr 'Enillydd' neu 'Canmoliaeth Uchel' am eu dyluniadau arloesol a'u cyflwyniadau ystyriol. Llongyfarchiadau arbennig iawn i Aneira, a gafodd ei dewis ar gyfer Gwobr Gyffredinol y Beirniaid – cyflawniad anhygoel! Cyflwynwyd iddi dlws hyfryd siâp seren, yn cydnabod creadigrwydd, gwreiddioldeb ac effaith ei dyfeisiad.

Mae'r gystadleuaeth hon wedi bod yn gyfle gwych i'n disgyblion ymgysylltu ag adeiladu peirianeg mewn ffordd ystyrlon a chyffrous, ac rydym mor falch o'u llwyddiant. Da iawn i bawb a gymerodd ran – roedd eich syniadau'n disgleirio go iawn!

We are thrilled to share some fantastic news following our participation in the "If You Were an Engineer, What Would You Do?" competition earlier this year – a national STEM programme that challenges young minds to design creative solutions to real-world problems.

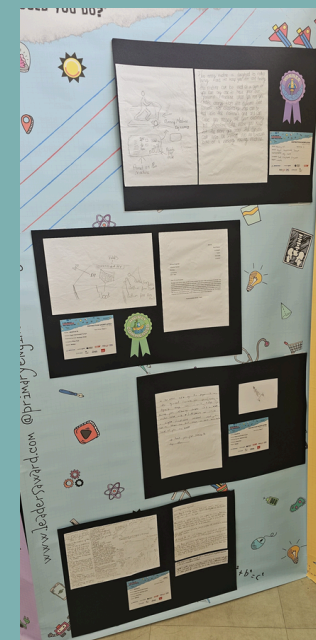

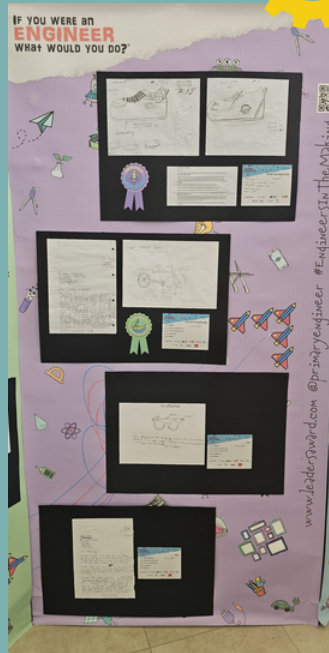

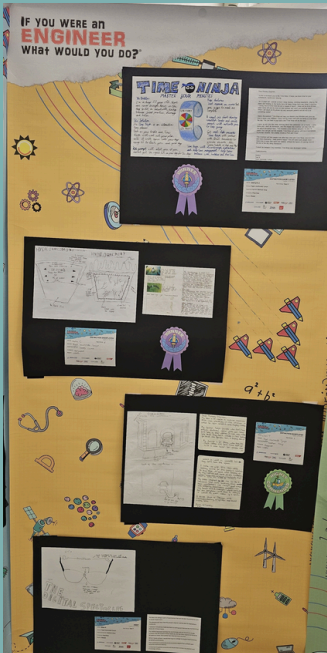

After an inspiring journey that saw pupils interview real engineers, design and annotate their own inventions, and write persuasive letters explaining their ideas, nine of our pupils were recognised for their outstanding entries. This week, they were invited to a special celebratory event in Cardiff to honour their achievements.

☀️ Congratulations to:

Aneira, Gwilym, India, Elen, Holly, Jessica, Curtis, Ava and Nancy – each of whom received either a 'Winner' or 'Highly Commended' award for their innovative designs and thoughtful presentations. A particularly huge congratulations goes to Aneira, who was chosen for the Overall Judges' Award – an incredible achievement! She was presented with a beautiful star-shaped trophy, recognising the creativity, originality, and impact of her invention.

This competition has been a wonderful opportunity for our pupils to engage with engineering in a meaningful and exciting way, and we couldn't be prouder of their success. Well done to all involved – your ideas truly shone!

Opportunities Week

Monday to Thursday 14-17 July 2025

The annual Opportunities Week is a highly anticipated event in the school calendar at Ysgol Uwchradd Tywyn, having been a significant part of the school's culture for nearly 30 years.

During this week, the regular school timetable is suspended and replaced with activities designed to develop essential skills such as problem-solving, teamwork, communication, and leadership.

This unique week fosters creativity and challenges students with tasks that are both engaging and demanding, making it a pivotal part of their school experience and personal development.

For students in Years 7, 8, and 9, a wide variety of outdoor and creative activities are organized within the local area. Year 10 students have the opportunity to participate in activities such as hiking, zip lining, and gorge walking.

Opportunities Week focuses on developing non-academic skills that are increasingly valued in the workplace. Teachers observe students in a different environment than the classroom, and they have found that the confidence students gain from these activities often carries over into their academic work.

The experiences and skills gained during Opportunities Week are designed to last a lifetime, equipping students to face challenges and situations they may encounter after leaving school.

Ultimately, Opportunities Week offers something for everyone, ensuring that each student can find value and enjoyment in the activities.

DWEUD FFARWEL A DIOLCH SAYING FAREWELL AND THANK YOU

Wrth i ni nesáu at ddiwedd tymor yr haf hwn, rydym yn ffarwelio'n gynnes â **Mrs Sue Bowen** o'r Adran Wyddoniaeth, sydd yn ymddeol ar ôl dros 30 mlynedd o wasanaeth ymroddedig i'n hysgol. Bu Sue yn rhan annatod o'n cymuned, gan ysbrydoli cenedlaethau o ddisgyblion gyda'i hangerdd, ei gwybodaeth a'i hymrwymiad diwyro. Mae hi wedi cyffwrdd â bywydau cymaint – nid yn unig drwy ei dysgu, ond hefyd drwy ei charedigrwydd, hiwmor a'i chefnogaeth i staff a disgyblion fel ei gilydd.

Rydym yn ddyledus iddi am bopeth y mae wedi ei gyfrannu dros y degawdau. Mi fyddwn yn ei cholli'n fawr, ond rydym yn dymuno'r gorau iddi wrth iddi ddechrau ar bennod newydd gyffrous yn ei bywyd. Mae'r deyrnged gan ei chyn-gydweithwraig a'i ffrind, Mrs Helen Lewis, yn dal ysbryd arbennig Sue ac yn dangos pa mor annwyl fydd hi i bawb.

As we come to the end of this summer term, we say a fond farewell to **Mrs Sue Bowen** of the Science Department, who will be retiring after over 30 years of dedicated service to our school. Sue has been an integral part of our community, inspiring generations of students with her passion, knowledge, and unwavering commitment. She has touched the lives of so many – not only through her teaching, but also through her kindness, humour, and support for both staff and students alike.

We owe her a huge thank you for everything she has contributed over the decades. She will be greatly missed by us all, but we wish her the very best as she begins this exciting new chapter of her life.

The following tribute, shared by her former colleague and friend, Mrs Helen Lewis, captures just how special Sue is and how fondly she will be remembered.

Mrs Sue Bowen

Ble i ddechrau? Dylwn ddweud bod Mrs B (fel y'i gelwir yn fwy caffaeledig) wedi bod yn rhan annatod o YUT ers 1994, er iddi ymddangos gyntaf yn yr ysgol yn 1992 fel athrawes gyflenwi Mathemateg a TG. Ddigon teg dweud, dros fwy na 30 mlynedd, mae miloedd o ddisgyblion wedi cael eu dysgu ganddi (ac mae'n siŵr gen i bod rhai dal gyda'r creithiau!), ac wedi'u hysbrydoli gan ei brwdfrydedd a'i hangerdd dros Wyddoniaeth, yn enwedig Cemeg.

Mae bod yn athro neu athrawes yn llawer mwy na dim ond cyflwyno'ch pwnc. Mae'n rhaid i athro 'berfformio' yn yr ystafell ddosbarth a dod o hyd i ffyrdd o ysgogi disgyblion a gwneud dysgu'n hwyl. Nid yw hynny'n rhywbeth sy'n dod yn naturiol i'r mwyafrif – ond roedd Mrs B yn gwneud iddo edrych yn hawdd ac yn ffordd gwbl naturiol o addysgu.

Wedi dweud hynny, mae disgyblion yn dysgu'n gyflym iawn bod yna fargen yn y fantol: cânt hwyl yn y wers Wyddoniaeth cyn belled ag eu bod yn ceisio cyflawni'r safonau uchel roedd hi'n disgwyl. Os yw hi'n gweithio'n galed i baratoi a chyflwyno, mae hi'n disgwyl i'r disgyblion weithio'n galed hefyd. Anwybyddwch hynny ar eich menter eich hun! (Sut ydych chi'n meddwl enillodd ei llysenw?)

Yn ystod ei hamser yn YUT, mae Mrs B wedi bod yn diwtor dosbarth, tiwtor blwyddyn, athrawes Gwyddoniaeth, Mathemateg, Addysg Gorfforol a TG, Pennaeth Gwyddoniaeth a Mathemateg, a Phennaeth Gwyddoniaeth CA4. Mewn pob un o'r rolau hyn, doedd dim carreg heb ei throï – roedd cynllunio, paratoi a gweithredu yn allweddol i gefnogi pob disgybl i gyflawni'r canlyniadau gorau posibl.

Wedi dweud hynny oll, mae Mrs B hefyd wedi dod o hyd i amser ar gyfer hamdden, ac mae hi wastad wedi bod yn chwarae wraig brwd. Yn ei dyddiau chwarae (pan gwrddais i gyntaf â Mrs B – yn yr 1980au. Dwi'n gwybod, 'da ni ddim mor hen â hynny, nac ydym?), roedd hi'n chwaraewraig hoci medrus ac yn chwarae'n rheolaidd i Glwb Bro Dysynni. Gwrthwynebydd cadarn – ac roeddwn i'n falch fy mod i ar yr un tîm! Yn yr ysgol, roedd hi'n cymryd rhan yn rheolaidd mewn gemau staff vs disgyblion ar gyfer Sport Relief neu Children in Need – a chredwch fi, doedd neb eisiau gweld Mrs B yn rhuo tua chi, gyda neu heb y bêl!

Yn 2007 a 2008 buom yn cymryd rhan yn y "Moonwalk" yn Llundain, gan godi arian ar gyfer Canser y Fron. Yn 2007, roedd Sue a'n cydweithiwr Beth Edwards yn rhan o'r criw marshalu – ac mae'n siŵr gen i iddyn nhw achosi peth dryswch! Ond roedden nhw hefyd yn darparu cymaint o gefnogaeth ac anogaeth, nid yn unig i mi yn cerdded y 26 milltir trwy strydoedd Llundain, ond hefyd i'r miloedd o gerddwyr, gwryw a benyw, yn gwisgo eu bra's addurnedig yn falch. Yn 2008, fe gymerodd y tri ohonom ran a chodi dros £1000 ar gyfer yr elusen. Mae hon yn achos sy'n agos at galonnau Sue a minnau.

Mae dros 30 mlynedd yn dipyn o dir i'w gwmpasu – ac rwyf ond wedi crafu'r wyneb. Felly.....

.....Dyma i Mrs Bowen, gyda'i côt labordy a'i dawn, cemegydd ddewr gyda golwg danllyd a dawn. Am dros 30 mlynedd bu'i ffiolau'n berwi, gan ddysgu meddyliau ifainc am wyddoniaeth yn ddi-ildio. Y tabl cyfnodol oedd ei chleddyf a'i tharian, mewn brwydr am wybodaeth doedd dim ildio'n bosib arni hi'n wirion.

Ei gwersi'n gymysgedd o hwyl a braw, atomau a moleciwlau'n cael eu hesbonio'n glir a thaw. Er bod rhai'n crynu dan ei disgwyliadau cry', roedd ei doethineb a'i hiwmor yn ennyn parch bob tro. O ddisgyblion ofnus i feddyliau ifainc craff, mae ei hetifeddiaeth yn fformiwla fydd byth yn darf. Nawr Mrs B, newidia'r côt labordy am rywbeth mwy chic – ar gyfer ciniawau, teithiau a heriau newydd sy'n galw'n brith. Mwynha bob eiliad o'r cyfnod newydd hwn – mwynha'r rhyddid o'r (ymddeoliad cynnar) gyda gwên!

Mrs Sue Bowen

Where to begin? I ought to say that Mrs B (as she is more affectionately known) has been a fixture at YUT since 1994, though she did debut at the school in 1992 as a supply teacher of Maths and IT. Needless to say, in over 30 years, thousands of pupils have been taught by her (and I dare say still bear the scars) and have been inspired by her enthusiasm and passion for Science, specifically Chemistry.

Being a teacher is far more than just delivering your subject. A teacher has to 'perform' in the classroom and find ways of motivating pupils and making learning fun. That's not something that comes naturally to most, but Mrs B made it seem easy and the most natural way of teaching there is.

Mind you, pupils very quickly catch on that there is a trade-in; they get to have fun in Science as long as they strive to achieve the high standards that she expects. If she has to work hard in preparing and delivering, then she expects pupils to work hard too. Ignore that at your peril! (How do you think she earned her nickname?)

During her time at YUT Mrs B has been a form tutor, Year Tutor, teacher of Science, Maths, PE & IT, Head of Science & Maths, Head of KS4 Science. In all of these roles, no stone would be left unturned and planning, preparation and action would be key, in supporting all pupils in order to achieve the best outcomes for individuals.

All that said, she has also found time for leisure and Mrs B has always been a keen sportswoman. In her playing days (when Mrs B and I first met – in the 1980s. I know, we can't be that old can we?), she was a skilled hockey player and regularly played for Clwb Bro Dysynni. A formidable opponent, and I was pleased to be on the same side! At school she has regularly taken part in staff v pupils matches for Sport Relief or Children in Need and believe me, nobody wanted to see Mrs B hurtling towards them with or without the ball!

In 2007 and 2008 we took part in the Moonwalk in London, raising money for Breast Cancer. In 2007, Sue and our colleague Beth Edwards were members of the martialling crew, and boy did they cause havoc but provided so much encouragement and support, not just for me doing the 26 mile walk through the streets of London, but for the thousands of walkers, male and female, sporting their highly decorated bras proudly. In 2008 all three of us took part and we raised over £1000 for the charity. This is a cause that Sue and I hold dear.

Thirty something years is a lot of ground to cover and I have only scratched the surface. So.....

.....Here's to Mrs Bowen with her lab coat and her flair, a chemist so bold with a fiery glare.

For over 30 years her beakers did fizz, teaching young minds, the Science biz.

A periodic table, her sword and her shield, in the battle of knowledge she would never yield.

Her lessons a mix of fun and fear, atoms and molecules, crystal clear.

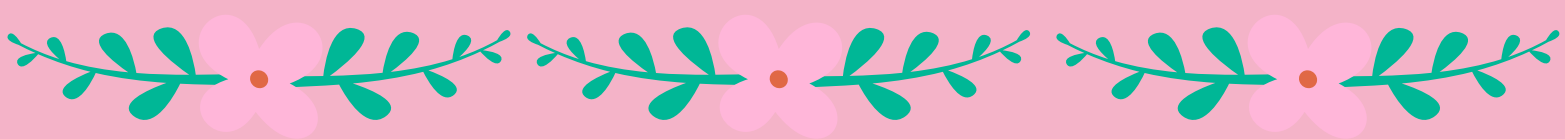

Though some may tremble when she expects, her wit and wisdom command respect

From scared little pupils to learned young minds, her legacy's a formula that forever binds.

Now Mrs B, swap that lab coat for something more chic, for lunches and trips and new challenges to seek.

Enjoy every moment of this new stage, relish the freedom of your (early) retirement age.

Mewn Sgwrs gyda Mrs Bowen

Yn ddiweddar, cefais gyfle i ddal i fyny gyda Mrs B dros ginio, ac i fyfyrio ar ei hamser yn YUT. Mae'n beth mawr i baratoi i adael lle sydd wedi bod fel ail gartref dros 30 mlynedd. Mae pob peth rydych chi'n ei wneud am y tro olaf yn dod â chymysgedd o emosiynau: cyffro a rhyddhad ond hefyd pryder a thristwch. Doedd hi'n ddim gwahanol i Mrs B – ond roedd ein sgwrs ni yn canolbwyntio mwy ar yr heriau, yr hwyl, y cywilydd a'r eiliadau digri.

Yr Heriau Mwyaf:

Cadw wyneb difrif* pan mae disgybl yn dweud rhywbeth hynod ddoniol, ac rwyd ti eisiau rhoi high-five ond methu!

Aros rhag dweud wrth rieni nad yw eu "plentyn deallus" cweit cystal ag y maen nhw'n credu.

Brathu'r tafod* pan mae pobl yn dweud pa mor lwcus wyt ti i gael "yr holl wyliau yna a gorffen am 2.45 bob dydd".

Cadw i fyny gyda thechnoleg – a esgynnodd yn enwedig yn ystod 2020/21.

*dyma'r heriau wnaeth Mrs Bowen fethu efo nhw!

Eiliadau Mwyaf Cywilyddus:

Rydym ni'r ddwy wedi profi sefyllfaoedd lletchwith arferol – megis siarad â rhiant ar noson rhieni ac yna sylweddoli eich bod chi'n siarad am y plentyn anghywir (rydym ni'n ddynol!), neu pan nad yw arddangosiad dosbarth yn mynd yn ôl y cynllun; neu pan mae disgybl yn dy ddal yn meddwl yn uchel ac rwyd ti'n mynd o fod yn athrawes barchus i edrych fel "gwallgof".

Eiliad fwyaf cywilyddus Mrs B oedd digwyddiad eithaf diweddar. Wrth iddi fynd i'r gampfa gyda phapurau arholiad ar gyfer prawf Blwyddyn 10, mi gamodd mewn twll a throelli ei ffêr, gan syrthio i'r llawr fel sach o datws dan lygaid y cyfan o Flwyddyn 10. Wrth iddi fynd i lawr, mi aeth geiriau "annerbyniol" allan yn sydyn cyn iddi wynebu'r tarmac. Syndod o'r mwyaf – fe fethodd disgyblion Blwyddyn 10 y cyfle i chwerthin yn uchel neu gwneud hwyl, ac yn lle hynny dangosodd bryder go iawn wrth iddi godi'n ôl ar ei throed (neu un droed!) yn grimsio gyda phoen ac yn goch ei hwyneb.

Y Cyrhaeddiadau Mwyaf:

Proffesiynol: Datblygu adran Wyddoniaeth ardderchog; ysbrydoli disgyblion (yn enwedig merched) i astudio Lefel A Gwyddoniaeth ac i ddilyn gyrfa yn y maes.

Personol: Trefnu, cynllunio a chyflawni amrywiaeth o deithiau ysgol, gydag anturiaeth Maroco yn uchafbwynt clir. Roedd rhaid i'r grwpiau godi arian eu hunain mewn amrywiad o ffyrdd, yn ogystal ag ymarfer a hyfforddi am bron i flwyddyn cyn y daith. Roedd y daith ei hun yn her fawr i staff a disgyblion, gan ymdopi â'r gwres, y tirwedd, ac yn ceisio cynnal cymhelliant y disgyblion i gadw ati.

Cyngor i'ch hunan iau – a allai fod yn berthnasol i athrawon ifanc heddiw:

Cadwch synnwyr digrifwch bob amser, peidiwch gadael i'r swydd gymryd drosodd eich bywyd, ac arhoswch yn glir ynghylch pam y daethoch chi'n athro neu athrawes yn y lle cyntaf.

Pe baech yn gallu dewis un pŵer arbennig ar ôl ymddeol – beth fyddai e?

Yn bendant – y gallu i fod yn anweledig! Meddyliwch am y pranciau y gallech eu chwarae, y sgysiau y gallech glustfeinio arnynt – gan gynnwys beth mae pobl YN WIRIONEDDOL yn feddwl ohonoch chi!

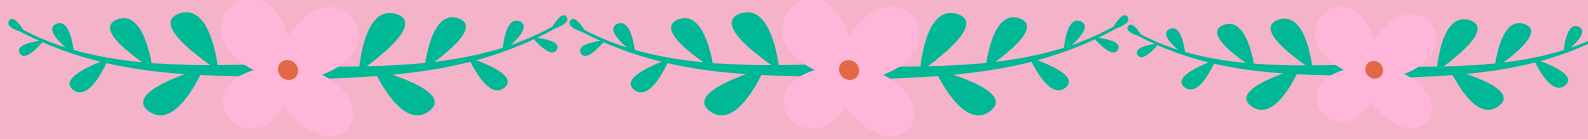

Beth ydych chi'n edrych ymlaen ato yn ystod ymddeoliad?

Edrych ymlaen at gael bod yn fwy hyblyg, mwynhau'r rhyddid i gynllunio a gwneud pethau y tu allan i wyliau'r ysgol. Mynd i weld Steve a Tom yn yr Unol Daleithiau, penwythnosau hir, triadau siopa yn ystod yr wythnos i osgoi'r torfeydd... o, ac wrth gwrs – defnyddio'r pŵer newydd arbennig yna!

Lle bach o nerfusrwydd o bosib, ynghylch cael llond bol (er fy mod i'n gwybod na fydd hynny'n digwydd!)

Wedi'r holl sgwrs, mae'n deg dweud bod Mrs Bowen yn athrawes effeithiol ac ysbrydoledig, sydd wedi mwynhau gweld ei disgyblion yn datblygu'n Wyddonwyr – gyda gwybodaeth, sgiliau ac angerdd at y pwnc.

CENHADAETH WEDI'I CHYFLAWNI, MRS BOWEN – felly ewch ati i fwynhau'ch ymddeoliad prysur a haeddiannol, gan wisgo'ch clogyn anweledig newydd!

In Conversation with Mrs Bowen

I recently caught up with Mrs B for some lunch and to reflect on her time at YUT. It's a big deal when you are preparing to leave a place which has been your second home for over 30 years. All the things that you do for the last time, bring a mix of emotions: excitement and relief but also trepidation and sadness. For Mrs B it has been no different but our chat was more to do with the challenge, fun, embarrassment and hilarity.

Greatest challenges:

keeping a straight face* when a pupil makes a hilarious comment that you want to high five but can't.

holding back from* telling parents that their 'genius child' isn't that much of a genius after all

biting your tongue* when people tell you how lucky you are to 'have all those holidays and finish work at 2.45 each day'

keeping abreast of technology which seemed to escalate particularly during 2020/21

*these are the challenges Mrs Bowen failed on!

Most embarrassing moments:

We have both experienced the usual awkward situations, such as chatting to a parent on parents evening and realising that you're talking about the wrong child (we are human!), or when a class demonstration doesn't quite go according to plan; or even when a pupil catches you thinking out loud and you go from respected teacher to 'nutter'.

Mrs B's most embarrassing moment was quite a recent event. As she was on her way to the gym with exam papers for the Year 10 mocks, she stepped in a hole and twisted her ankle, crashing to the ground like a sack of spuds under the gaze of the whole of year 10. As she went down, she blurted out a shameful expletive before face-planting the tarmac. Surprisingly, the year 10's missed the opportunity to mock and laugh out loud, but rather expressed some concern as Mrs B clambered to her feet (sorry.....foot) rather red-faced and grimacing in pain.

Greatest achievements

Professional: Developing an excellent Science department; inspiring students (particularly girls) to study Science A' Levels and to choose a career in Science;

Personal: arranging, planning and executing a variety of school trips and a Morocco expedition was the pinnacle of that. The groups had to raise their own funds in all manner of ways, as well as train for the best part of a year prior to the trip. The trip itself was a challenge for staff and pupils, coping with the heat and the terrain as well as trying to encourage and motivate the students to keep going.

Advice to your younger self that may be relevant for young teachers today

Always maintain a sense of humour, don't let the job take over your life and never lose sight of why you became a teacher.

If you could have a superpower when you retire, what would it be?

Definitely to be invisible! Imagine the pranks you could play, the conversations you could eavesdrop, including what people REALLY think about her!

What are you looking forward to in retirement?

Looking forward to being more flexible, having the freedom to plan and do the things I would like to do, outside school holidays. Visiting Steve and Tom in the States, long weekends away, shopping trips during the week to beat the crowds..... oh and of course, using her new super power.

Feeling a little bit nervous about the possibility that she may be bored (even though I know she won't be!)

After all the chat, I think it would be fair to say, that Mrs Bowen is an effective and inspiring teacher, who has enjoyed watching her pupils grow into Scientists, developing knowledge and skills and a love for the subject. MISSION ACCOMPLISHED MRS BOWEN, so now enjoy your busy, well-deserved retirement, wearing your new invisibility cloak.

A brilliant achievement—well done, boys!

Mae disgybl Blwyddyn 10, **Owen Richards-Burns** o Ysgol Uwchradd Tywyn, wedi mwynhau tymor cyntaf hynod lwyddiannus gyda tîm pêl-droed Ystwyth Bears.

Ymunodd Owen â'r Bears, tîm o Lanilar sy'n chwarae yng Nghynghrair Ieuenctid Aberystwyth, ddiwedd y flwyddyn ddiwethaf fel eu gôl-geidwad newydd. Er nad oedd yn adnabod unrhyw un ar y tîm i ddechrau, dangosodd Owen ddewrder ac ymroddiad eithriadol wrth ymuno. Bob wythnos, mae Owen yn teithio'n syth o'r ysgol i sesiynau hyfforddi, ac wedyn i Aberystwyth ar y Sadwrn ar gyfer y gemau—yn dangos ymrwymiad gwych i'w dîm ac i'w ddatblygiad personol.

Mae ei ymdrechion wedi dwyn ffrwyth. Yn ddiweddar, enillodd Owen y wobr Golden Glove am ei sgiliau fel gôl-geidwad. Cafodd ei dîm dymor rhagorol hefyd, gan orffen ar frig Cynghrair Ieuenctid Aberystwyth, ennill rownd derfynol y cwpan yn Stadiwm Clwb Pêl-droed Tref Aberystwyth, ac ennill twrnament cyntaf y tymor ym Mhenrhyncoch—wedi'i benderfynu mewn gêm gyffrous o giciau o'r smotyn.

Llongyfarchiadau mawr i ti, Owen! Rydyn ni'n hynod falch ohonot, ac yn edrych ymlaen at weld beth fydd y cam nesaf yn dy daith.

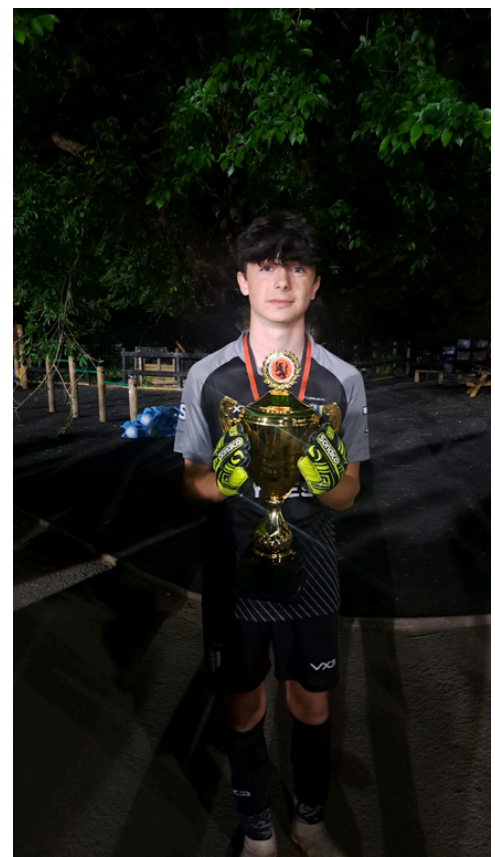

Year 10 pupil **Owen Richards-Burns** of Ysgol Uwchradd Tywyn has enjoyed a hugely successful first season with the Ystwyth Bears football team.

Owen joined the Bears, a team based in Llanilar competing in the Aberystwyth Junior League, at the end of last year as their new goalkeeper. Despite not knowing anyone on the team at the start, Owen showed great courage and determination in stepping into this new environment.

Each week, Owen travels straight from school to attend training sessions, and then again to Aberystwyth on Saturdays for matches—demonstrating outstanding commitment to both his team and his personal development.

His hard work and dedication have truly paid off. Owen was recently awarded the Golden Glove for his goalkeeping performances. His team also had an exceptional season, finishing top of the Aberystwyth Junior League, winning the cup final at Aberystwyth Town Football Club, and claiming victory in the season's first tournament at Penrhyncoch—clinched in a dramatic penalty shootout.

Well done, Owen! We're incredibly proud of your achievements and look forward to seeing what you accomplish next.
